## EMPLOYEE OF THE MONTH

TIMOTHY SNIDER

Timothy Joseph (TJ) Snyder, the youngest of five, was born in Bethesda, Maryland. His family moved to Fairfax, Virginia where he grew up with his three brothers and sister. He is now the proud uncle to TEN dotting nieces and nephews.

He spent some time living in and exploring Portsmouth, New Hampshire before enrolling at Christopher Newport University.

TJ is now a senior at CNU, studying for a degree in electrical engineering. He aspires to someday work in government contracting, preferably for the Navy.

TJ is what we like to refer to as a “quiet storm”. He is so quiet, one might almost miss him, but the evidence of his workmanship is quite obvious. He shows up each day with a smile on his face and can quietly turn an empty shell of a room into a grand affair. He needs almost no direction, and can think independently and quickly on his feet; a trait that is rare to find.

TJ is a natural born leader, and we lean on him often to help oversee set up and breakdown of banquet events. Especially during the busy holiday season, TJ is fundamental in all the behind-the-scenes action at the club. We are so thankful for his continued excellence and proud to name him December’s Employee of the month!
