2ND QUARTER

President's Quarterly Report

LINDSEY CARNEY

*D*ear JRCC Family,

THANK YOU for your membership, your support of our Club and trust in our leadership! March Madness is wrapping up, and by the time you read this, the Captains and the Hokies will have wrapped up epic women's basketball seasons, so our Club is in a particularly competitive mood, challenging ourselves to be our best selves, greater than any Club around. I hope that you see the efforts and embrace the changes.

Speaking of changes...have you enjoyed a glass of wine in the wine cellar or perhaps won or lost a game of pool in the sports lounge? We are so grateful to our Finance and Centennial Committees for their due diligence, tireless planning, and hard work that turned just over 2000 square feet of unused space into a place for our membership to convene, enjoy, and share with friends.

For those of you who missed the Annual Stockholders' Meeting, I reiterate that we are in the best financial position we have seen in years, affording our Club the opportunity to invest in our capital assets, perform deferred maintenance and observe our reserves.

Stay tuned for the Casual Dining and bathroom renovations and Huntington Lounge refresh...our committees and Board strive to continue to make James River your first choice for dining, family activities, athletics and social engagement. My friends, James River is the place to be! Please join me in thanking Kathi and Conrad for their efforts in ensuring that our Club is fiscally sound and thriving.

Spring is coming, and that means we are readying the pools and cabana for a delightfully busy season! The new cabana menu is in process, the cabana team is in retraining mode, and our outside infrastructure is coming out of hibernation. We all look forward to the 2023 River Ratz season! Our River Ratz experienced many successes and celebrated our youngest of River Ratz joining our team and successfully securing their respective spots in the City Meet, so for 2023, the sky is the limit for Coach Jihan and her team.

Rob and his team, as usual, have maintained our first-class golf course through the winter and are prepared for busy men's and women's calendars. I don't have to tell you, but please do, thank Rob and his team for their work year-round to make our course the envy of all courses. Racket sports has an exciting spring schedule. Please check it out, and if you're not quite a tennis player, I know you will still enjoy a pickle ball match!

As always, I look forward to seeing you at the Club. There's always more, and perhaps the best yet, to come!

- Lindsey Carney

2ND QUARTER

MEMBER OF THE QUARTER

DONALD & PATRICIA BUCHANAN

*M*y wife, Pat, and I are pleased and honored to have been selected as James River Country Club's Members of the Quarter!

Born in Roxboro, North Carolina, I have spent most of my life on the Peninsula and currently reside in the Riverside neighborhood of Newport News. I am a Hampton High School "crabber" and attended the Norfolk Division of William and Mary briefly, leaving to pursue a career with Newport News Shipbuilding.

My career with NNS began in the Quality Inspection Department where I was trained and certified as a Quality Inspector. I retired as a "Master Shipbuilder" after forty years of service.

Pat, my wife of fifty-two years, is a lifelong resident of the Peninsula. Born in Hampton, she is a graduate of Hampton High School and the College of William and Mary in Williamsburg. She is retired from Newport News Shipbuilding where she held various IT positions in the Engineering Computer Systems Department. After retiring she volunteered with the Newport News Master Gardeners and in her spare time she pursues her lifelong interests in gardening and painting.

I have been a member of James River Country Club since 1982 and felt welcomed by the membership immediately. I am a golfer - I love the game, it's history, and anything related to the sport. Over the years I have enjoyed countless rounds at JRCC meeting new members and making many wonderful friends along the way. Now retired, I play 18 holes at least three times a week; however, seldom a day goes by that I don't get in a few holes.

In addition to golf, Pat and I enjoy the Club's dining room and meet friends there for dinner several times a week. When not on the course my wife and I can be found on the road to Williamsburg to attend William and Mary football or basketball games or just dining out for lunch.

Joining James River Country Club is one of the best things I have done for Pat and myself and we are both grateful for our membership. The Club has truly become our 'home away from home'. We are always welcomed by members as well as the staff who make the Club the wonderful place it is. Thank you James River for making our life so enjoyable!

Erik Wright, the newest star of the Racket Sports department, was born in Richmond, Virginia and was raised in Williamsburg, Virginia where he would spend the next forty years. He spent twenty-four years working for a family owned and operated local business, The Williamsburg Pottery, where he grew to become the Production and Operations Manager.

His proudest accomplishment during his time there was supervising the production of over one-million handmade pottery bird houses, which were sold to tourists in the historic district of Colonial Williamsburg. The Williamsburg Pottery was the original designer of the Bird Bottle, a wren house that was used back in the colonial era to attract mosquito eating birds closer to the settlement.

Erik's fraternal twin brother, George Wright, is one of the best recreational tennis players on the peninsula. Together they won a high level doubles tournament at a Williamsburg area tennis club a few years ago. They learned to play tennis as children from their paternal grandfather, who was an avid sports fan and enthusiast. Erik says that tennis is a gift that continues to enrich his life to this day.

Erik is currently on a six year path to help the local tennis community expand and thrive. He is a year 'round high school tennis coach, developing programs at both Jamestown High and Walsingham Academy. He is a USTA team captain and member of the first annual Peninsula Pro Tennis League. His hope is to bring the experience he has gained working and playing at three tennis clubs to help James River Country Club expand its racket program. Specifically, they are planning to make the courts at JRCC the best in the area! The better the courts, the more enjoyable the play and in turn, more tennis players!

Erik Wright has worked for us since last fall, in charge of tennis court maintenance. Erik did the annual spring reconditioning project last month on all five clay courts entirely by himself... a job that we typically hire a crew of four men to complete. The condition of the clay courts is better than they've EVER been due to Erik's perfectionistic attention to detail. He has also recently begun tackling larger drainage issues to further enhance the playability and beauty of our tennis courts and surrounding grounds. If you see Erik working around the tennis area, please give him a congratulatory pat on the back!

IN MEMORIAM

APRIL - MAY

KEVIN HOUSE

Kevin House left us far too soon, passing away peacefully on Saturday, April 15th surrounded by his loving family and friends in Newport News, Virginia.

Kevin, 45, was born in Las Vegas, Nevada and spent early childhood years in Germany before coming to Newport News and growing up there. He was a gifted saxophone player and established a successful career as an exemplary chef. He enjoyed creating unique dishes and was a true artist in the kitchen who took great pride in his craft. Outside of work, he enjoyed spending time with his beloved daughter and family and rooting for his Pittsburgh Steelers.

Kevin is survived by his beloved daughter Rhiannon, his parents Jim & Martha, his brothers Chris House, Neil Hultberg, & Matt Cox, his Aunt Mary, his niece Kasidi & nephew Ethan, and numerous friends.

- On a personal note, Kevin was a pillar of the James River Country Club team for over years. The news of Kevin's passing rocked our Food & Beverage department. Our thoughts and prayers are with his family and friends, and he will forever remain a part of our JRCC family.

IN MEMORIAM

APRIL - MAY

JOHN LEE LOCKHART, M.D.

John Lee Lockhart, M.D. died peacefully at Hospice House of Williamsburg on April 27, 2023. He was a resident of Newport News, VA for the past 48 years. Born in Fairmont, WV, John was the son of the late F. Okey and Betty Heldreth Lockhart. Dr. Lockhart graduated from WV School of Medicine in 1970. Serving in the USAF after graduation, he was the medical officer in charge of the clinic at Albrook Air Force Base in the former Canal Zone of Panamá. He was discharged from 3 years of military duty as a major. Internship and ob/gyn residency was completed at Riverside Hospital in Newport News. Dr. Lockhart practiced his specialty for 34 years. His retirement was in 2012 from Riverside Partners in Women's Health.

Dr. Lockhart loved the out of doors, gardening and most of all, music. He played trumpet, guitar, and piano, which was his favorite expression of his musical talent. He also enjoyed composing songs, singing and playing piano for family and friends.

Left to cherish his precious memory is his wife of 55 years, Janet Lockhart. He was the proud father of Matthew Lloyd (his dear wife is Adele) and Truman Scott. Two adored granddaughters, Kennedy and Caroline, were his pride and joy. He is also survived by his beloved sister, Linda Lockhart Hedio, her husband Richard and their family, brother in law, L. Ronald Walker and special family friend, Paul Katz.

IN MEMORIAM

APRIL - MAY

DON RODNEY COCHRAN

Don Rodney Cochran 71, passed away on Saturday, April 29, 2023, with his family by his side.

He is survived by his wife of 37 years, Cynthia Schatz Cochran, his three children, and their spouses, Woody and Cameron Patrick, Virginia and Tyler Baldwin, and Jake and Evie Cochran. Known as "Cool Daddy" to his six grandchildren, he was so proud of his Moon Pups - Ellie, Leta, Woodfin, Libba, Kipps, and Jane. Don is also survived by his sister, Debbie, and brothers Johnathan and Jimbo. He was preceded in death by his parents, Virginia and Edward Cochran, and his brother and best friend, Charlie.

Don was born on September 15, 1951, in Christiansburg, Virginia. He spent his childhood terrorizing the streets of Hilton Village with his siblings and neighborhood friends. Although he was a lawyer by trade, the majority of his career was spent following in his father's footsteps and running Cochran Construction Company.

He was a diehard Redskins fan. He loved the water - whether it be the beach, a boat ride, fishing, or spending a day by the James River in his childhood backyard. Don loved music, a good steak, and a Rebel Yell on the rocks.

Don's only request for his obituary was to make it known that "he never lost a polo match."
