SANDRA & JOHNNY MEADOWS

Johnny and I met at Warwick high school when he was sixteen and I was fourteen. Back in those days, our parents wouldn't let us out of their sight, so we were only allowed to go on dates on our parents boats and at Merry Point Beach where they could keep a watchful eye on us. Even at that young age we knew though, it was love at first sit, and after a short courtship we were married. We will have been married now for 62 years as of August 2022, and what a wonderful marriage it has been! Our family consists of two wonderful sons, Glenn and Cliff; four perfect grandchildren, Travis, Sydney, Owen and Emma Kate; and our precious great grandchildren Bella and Noah. Each one of them enhances our lives in their own special way.

Johnny recently retired on May 1, 2022 from the HII Shipbuilding after 60 years of service. He worked for Newport News Shipbuilding, Tenneco, Northrup Gruman and Huntington Ingalls. He is very proud of his years there and of being a Master Shipbuilder. Johnny worked most recently with the operating fleet of nuclear submarines as a planning yard analyst. His reputation was that he was the man to call if you needed any information about submarines - past or present. I was a stay at home mom who became a marketing director for shopping centers. I also owned Promotional Activities Art Shows; a company that organized and produced art and craft shows in convention centers and in shopping malls in four states. My company grew to be one of the top companies on the East Coast in that particular field.

We are settling well into retirement; Johnny works in his vegetable garden and I play tennis at the Club several times a week. We go to the Outer Banks as often as possible where we enjoy surf fishing. Over the years we have fished from our boat, from charter boats, and from the surf (my favorite!) We have loved being members of James River Country Club. It has been a special place for us to eat and attend social events and the entire dining room and bar staff always take extraordinary care of us. We are honored to represent James River Country Club as members of the month.

“My relationship with food is intimate. I don't eat and tell.”

NATIONAL CHOCOLATE CHIP COOKIE DOUGH DAY TUESDAY, JUNE 21, 2022

With so many holidays to highlight each week, I usually find choosing which one to feature challenging. But not this week! National Chocolate Chip Cookie Dough Day is hands down a day worth celebrating! The rise of the chocolate chip cookie dates back to 7th century Persia. To test the heat of their ovens, bakers would put tiny pieces of dough in the oven. These tiny morsels of delight, at first discarded for their oddly flat shape, quickly became a popular treat and the "test cake" became the "cookie."

James River Country Club will be celebrating this holiday all week long with two dessert specials! So, stop by the Club and help yourself to a fresh-baked chocolate chip cookie skillet with vanilla ice cream or a chocolate chip cookie dough ice cream sandwich! Yum!
