SANDRA & JOHNNY MEADOWS

Johnny and I met at Warwick high school when he was sixteen and I was fourteen. Back in those days, our parents wouldn't let us out of their sight, so we were only allowed to go on dates on our parents boats and at Merry Point Beach where they could keep a watchful eye on us. Even at that young age we knew though, it was love at first sit, and after a short courtship we were married. We will have been married now for 62 years as of August 2022, and what a wonderful marriage it has been! Our family consists of two wonderful sons, Glenn and Cliff; four perfect grandchildren, Travis, Sydney, Owen and Emma Kate; and our precious great grandchildren Bella and Noah. Each one of them enhances our lives in their own special way.

Johnny recently retired on May 1, 2022 from the HII Shipbuilding after 60 years of service. He worked for Newport News Shipbuilding, Tenneco, Northrup Gruman and Huntington Ingalls. He is very proud of his years there and of being a Master Shipbuilder. Johnny worked most recently with the operating fleet of nuclear submarines as a planning yard analyst. His reputation was that he was the man to call if you needed any information about submarines - past or present. I was a stay at home mom who became a marketing director for shopping centers. I also owned Promotional Activities Art Shows; a company that organized and produced art and craft shows in convention centers and in shopping malls in four states. My company grew to be one of the top companies on the East Coast in that particular field.

We are settling well into retirement; Johnny works in his vegetable garden and I play tennis at the Club several times a week. We go to the Outer Banks as often as possible where we enjoy surf fishing. Over the years we have fished from our boat, from charter boats, and from the surf (my favorite!) We have loved being members of James River Country Club. It has been a special place for us to eat and attend social events and the entire dining room and bar staff always take extraordinary care of us. We are honored to represent James River Country Club as members of the month.

# Celebrate THE WEEK

WEEKLY NATIONAL HOLIDAY HIGHLIGHTS

“There’s something in a simple hug that always warms the heart. It welcomes us back home and makes it easier to part.” – Johnny Ray Ryder, Jr.

## National Hug Day Wednesday, June 29th, 2022

A hug is more than just a secondary embrace; a hug is genuinely worth a thousand words. There are so many reasons for which we hug one another. Dear friends hug when they reunite, children hug when they make new friends, and we hug each other in moments of sorrow. Hugging brings comfort, joy, and acknowledgment to the situations we face in life.

Studies have shown that a hug, even from a stranger, can lower blood pressure, cortisol levels, and anxiety and can increase serotonin and dopamine levels. So, a hug a day indeed CAN keep the doctor away. So this week, focus on hugging all the people you love. These are the tiny gestures we can do every day to make the world around us brighter and more beautiful.
