Dear JRCC Family,

THANK YOU for your membership, your support of our Club and trust in our leadership! March Madness is wrapping up, and by the time you read this, the Captains and the Hokies will have wrapped up epic women's basketball seasons, so our Club is in a particularly competitive mood, challenging ourselves to be our best selves, greater than any Club around. I hope that you see the efforts and embrace the changes.

Speaking of changes...have you enjoyed a glass of wine in the wine cellar or perhaps won or lost a game of pool in the sports lounge? We are so grateful to our Finance and Centennial Committees for their due diligence, tireless planning, and hard work that turned just over 2000 square feet of unused space into a place for our membership to convene, enjoy, and share with friends.

For those of you who missed the Annual Stockholders' Meeting, I reiterate that we are in the best financial position we have seen in years, affording our Club the opportunity to invest in our capital assets, perform deferred maintenance and observe our reserves.

Stay tuned for the Casual Dining and bathroom renovations and Huntington Lounge refresh...our committees and Board strive to continue to make James River your first choice for dining, family activities, athletics and social engagement. My friends, James River is the place to be! Please join me in thanking Kathi and Conrad for their efforts in ensuring that our Club is fiscally sound and thriving.

Spring is coming, and that means we are readying the pools and cabana for a delightfully busy season! The new cabana menu is in process, the cabana team is in retraining mode, and our outside infrastructure is coming out of hibernation. We all look forward to the 2023 River Ratz season! Our River Ratz experienced many successes and celebrated our youngest of River Ratz joining our team and successfully securing their respective spots in the City Meet, so for 2023, the sky is the limit for Coach Jihan and her team.

Rob and his team, as usual, have maintained our first-class golf course through the winter and are prepared for busy men's and women's calendars. I don't have to tell you, but please do, thank Rob and his team for their work year-round to make our course the envy of all courses. Racket sports has an exciting spring schedule. Please check it out, and if you're not quite a tennis player, I know you will still enjoy a pickle ball match!

As always, I look forward to seeing you at the Club. There's always more, and perhaps the best yet, to come!

- Lindsey Carney

2nd Quarter Member of the Quarter Donald & Patricia Buchanan

y wife, Pat, and I are pleased and honored to have been selected as James River Country Club's Members of the Quarter!

Born in Roxboro, North Carolina, I have spent most of my life on the Peninsula and currently reside in the Riverside neighborhood of Newport News. I am a Hampton High School "crabber" and attended the Norfolk Division of William and Mary briefly, leaving to pursue a career with Newport News Shipbuilding.

My career with NNS began in the Quality Inspection Department where I was trained and certified as a Quality Inspector. I retired as a "Master Shipbuilder" after forty years of service.

Pat, my wife of fifty-two years, is a lifelong resident of the Peninsula. Born in Hampton, she is a graduate of Hampton High School and the College of William and Mary in Williamsburg. She is retired from Newport News Shipbuilding where she held various IT positions in the Engineering Computer Systems Department. After retiring she volunteered with the Newport News Master Gardeners and in her spare time she pursues her lifelong interests in gardening and painting.

I have been a member of James River Country Club since 1982 and felt welcomed by the membership immediately. I am a golfer - I love the game, it's history, and anything related to the sport. Over the years I have enjoyed countless rounds at JRCC meeting new members and making many wonderful friends along the way. Now retired, I play 18 holes at least three times a week; however, seldom a day goes by that I don't get in a few holes.

In addition to golf, Pat and I enjoy the Club's dining room and meet friends there for dinner several times a week. When not on the course my wife and I can be found on the road to Williamsburg to attend William and Mary football or basketball games or just dining out for lunch.

Joining James River Country Club is one of the best things I have done for Pat and myself and we are both grateful for our membership. The Club has truly become our 'home away from home'. We are always welcomed by members as well as the staff who make the Club the wonderful place it is. Thank you James River for making our life so enjoyable!

Virginia and grew up in Smithfield, Virginia with her parents and brother Garrett. As a child she was always quiet, polite and kind, but had a bright and playful spirit. From a young age she had aspirations to grow up and change the world.

Olivia attended Christopher Newport University, where she was on the cheer team each year, and she also coached tumbling at Atlantic Coast Tumbling. In May of 2022 Olivia graduated with a Bachelors Degree in Psychology and a Minors in Communication and Childhood Studies. After graduating she began working as a long-term elementary school art teacher. Olivia now works with University instructors as well as with K-5 students as an instructional tutor. Ultimately Olivia hopes to continue teaching and pouring her love of life into her students! June Employee of the Month Olivia Blatt

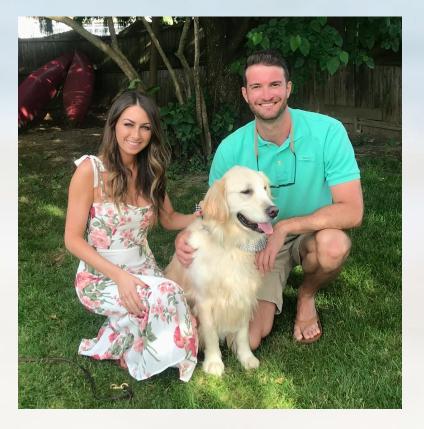

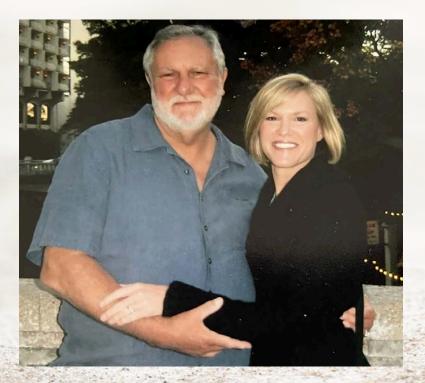

To say that Olivia is a hard worker is quite the understatement. At most points in her years at James River Country Club, she has been hard at work in school and also had two or more jobs! The best part is, thanks to her bubbly personality and outstanding customer service, you'd never know she was such a busy gal!

Olivia's has been a dream team member of the Food and Beverage team for years. She is focused, driven, and so sweet. This year she is leading the way in our Cabana as one of our Team Leaders, and it is clear that her attention to detail and customer service is already making a huge difference. We have absolutely loved having Olivia be part of our JRCC family and hope that her future endeavors are as successful as her time here with us has been! Congratulations Olivia!
