What a pleasant surprise to be named Member of the Month. For those of you who may not know us, Andrew works for TowneBank where he manages the Mortgage Division for the Peninsula, while I have been in public service for over thirty years with the Parks and Recreation Department for the City of Newport News (and no, I don't watch the show!!). Andrew grew up here in Newport News and I was an Air Force brat, but now have lived here longer than anywhere else and am grateful to call this home.

In 1995, we joined the JRCC. Our daughter was just a toddler at the time, and our son was on the way. They've grown up in this community, and we made so many fond memories on the swim team, at junior golf and tennis camps, and having multiple brunches with Santa and the Easter Bunny. I could go on and on, but suffice it to say, our family enjoyed many adventures over the years. Andrew enjoys golf (as much as anyone can enjoy golf) when he can get away to get out on the course. He's participated in many Member Guest Tournaments and some of you may remember he and his partner Frank's interesting outfits, which were sure to bring a smile to the face of anyone who saw them! I have also enjoyed Member Guest Tournaments, serving the members and guests drinks and good humor. Andrew has also served on multiple committees for the club, as well as serving on the board for several years.

JRCC is a great community where we have formed lifelong friendships. We have enjoyed Oyster Roasts, lots of special events, and on most Friday nights, we can be found in the bar, unwinding from the week. There are great amenities here at the club, not least of which are the staff, all of whom we appreciate. Andrew and I look forward to many, many more years of enjoying the club with our family and friends.

Celebrate THE WEEK

WEEKLY NATIONAL HOLIDAY HIGHLIGHTS

NATIONAL LOLLIPOP DAY WEDNESDAY, JULY 20, 2022

Whether you call them suckers, lollies, or pops, National Lollipop Day is a holiday celebrated by children of all ages! Every year on July 20th we celebrate this confection to remind ourselves to stay young and enjoy the little things in life! Lollipops have been around forever... literally! Cavemen used to scoop honey onto sticks and lick the nectar off of the stick. There is evidence that Egyptians used to put candied fruit on sticks to enjoy much the same way.

Over time the popularity of the lollipop began to surge as people clamored for the sticky treat. By 1908 the manufacturing process was automated and lollipops began to come in many shapes, sizes, colors, and flavors.

This week James River Country Club is celebrating National Lollipop Day all week long! Your child, or the child in you, can snag a sucker on the way out! Just see the hostess!
