What a pleasant surprise to be named Member of the Month. For those of you who may not know us, Andrew works for TowneBank where he manages the Mortgage Division for the Peninsula, while I have been in public service for over thirty years with the Parks and Recreation Department for the City of Newport News (and no, I don't watch the show!!). Andrew grew up here in Newport News and I was an Air Force brat, but now have lived here longer than anywhere else and am grateful to call this home.

In 1995, we joined the JRCC. Our daughter was just a toddler at the time, and our son was on the way. They've grown up in this community, and we made so many fond memories on the swim team, at junior golf and tennis camps, and having multiple brunches with Santa and the Easter Bunny. I could go on and on, but suffice it to say, our family enjoyed many adventures over the years. Andrew enjoys golf (as much as anyone can enjoy golf) when he can get away to get out on the course. He's participated in many Member Guest Tournaments and some of you may remember he and his partner Frank's interesting outfits, which were sure to bring a smile to the face of anyone who saw them! I have also enjoyed Member Guest Tournaments, serving the members and guests drinks and good humor. Andrew has also served on multiple committees for the club, as well as serving on the board for several years.

JRCC is a great community where we have formed lifelong friendships. We have enjoyed Oyster Roasts, lots of special events, and on most Friday nights, we can be found in the bar, unwinding from the week. There are great amenities here at the club, not least of which are the staff, all of whom we appreciate. Andrew and I look forward to many, many more years of enjoying the club with our family and friends.

THE WEEK

WEEKLY NATIONAL HOLIDAY HIGHLIGHTS

NATIONAL CULINARIANS DAY **Monday, July 25th**

National Culinarists Day is celebrated to pay respect to chefs and cooks around the country. If these past few years have taught us nothing else, we now know these are some of the most important people in the American workforce. We all have grown to appreciate the luxury of eating out, especially as some of our favorite restaurants have had to shutter their doors for lack of kitchen staff.

Fortunately for the members and guests of James River Country Club, the culinary arts are still very much alive! Led by Executive Chef Matt Liles and Banquet Chef George Dickens, our kitchen staff are some of the hardest working, most dedicated unsung heroes of the Club. On any given day, our team produces hundreds of meals across the Club's different dining venues, and they always strive to ensure each plate is as perfect as the last.

So today, we tip our hats to our outstanding kitchen staff. We thank them from the bottom of our stomachs for every delicious morsel, and we remember how blessed we are that here at James River Country Club, a thoughtfully prepared meal is only a short drive away!
