3<sup>RD</sup> QUARTER

## *President's Quarterly Report*

LINDSEY CARNEY

*O*n behalf of your Club, we wish you and yours a happy, healthy and celebratory Fourth of July! All seasons are great at JRCC, but summer is the best! The pools are active and full of our smallest of members who are the future of our Club; our new Cabana menu has more offerings than ever before; member events are abundant; and golf, tennis, and pickleball continue to be strong, unrivaled benefits for our entire membership.

Please come out and cheer on our River Ratz as they bring home victories and personal bests this season! You will notice the strength of the swim team in the 6–8 year-old competition groups – our Club's commitment to recruitment and retention of families with small children is evidenced by that group.

The membership's attention to, and desire for, enhanced capital improvements (funded through capital reserve) is also evident. The Cellar has been the location of choice for gatherings of friends and family – many of us have seen (and participated in) a game of pool, a circle of members enjoying a cigar and a table of friends tasting the finest of wine selections in the area.

## MEMBERSHIP

There is always a new project or enhancement in a planning stage – we want you, the Membership, to make James River Country Club your first choice for dining, social activities and athletics.

None of this could be possible without the staff at JRCC. Please take the time to thank our staff at the club. They tirelessly strive to make our membership experience the very best, and for that we are grateful. Our club is in excellent shape - food and beverage is better than most restaurants; our events will keep your schedule full of activities; golf and tennis have the very best facilities, and let us not forget about the beach and pier! Our story tells itself!

Membership is growing - we're no longer the best kept secret in town. We're just the best! Membership has grown to 634 total members, and 363 athletic members who know and appreciate the best that our area has to offer in golf – we cannot say it enough or thank Rob enough for his team's work to ensure that our golf course is best in class.

Thank you, as always, for your dedicated loyalty and membership. The Board and our management continue to plan, forward think and intend to create a continuing and better membership experience.

There is more, and possibly the best, to come.

Club President  
Lindsey Carney

3<sup>RD</sup> QUARTER

## MEMBER OF THE QUARTER

JIMMY &amp; TAMARA FAY

Originally from Massachusetts, Jimmy relocated to Virginia where he met Tamara. They reside in Newport News with their four children - Zayne, 21, Ash, 20, Brady, 19, and Cadhla, 3. In 2015 Jimmy left his job with the city of Newport News to pursue a rewarding career in the insurance industry because he was very passionate about making a change in people's lives. He now owns his own agency covering both Virginia and North Carolina families and businesses.

He is heavily involved with helping other small business owners as part of the Peninsula Chamber of Commerce, and is an active board member with the Rotary Club of Oyster Point and the Victory YMCA. Supporting local business is important to him and his wife, and you'll often see them at community events.

Tamara absolutely loves being a mom and has channeled that into her professional life. She owns a luxury photography studio that specializes in all things motherhood. She also has an online baby boutique she opened during the pandemic shutdown, which she hopes to make a physical storefront in the very near future. She loves to give back to organizations that have a mission to help moms and their babies.

Although Jimmy likes to return to rugby on occasion, his most recent sports endeavor has been throwing himself into golf and he is thoroughly enjoying the game and the learning process. During these next months, you're sure to find Tamara and Cadhla at the pool soaking up the summer fun. Family time, beach time, and travel are personal favorites, and they are very much looking forward to traveling more abroad in the coming years once their daughter is a little bit older.

*J.C.* was born and raised in Newport News, Virginia, the only boy out of five children. Two of his four sisters, Kamryn and Bella, are also rockstar employees at JRCC! *Now that's a BOGO!*

J.C.'s father retired as an EMS Captain at station 10 Fire Department, and his mother Shannon retired as a nurse.

J.C. loves to travel, visiting several states throughout the years, but his favorite travel experience was visiting Rome. In his spare time J.C. enjoys fishing and working out - often going for a run three to four times per week, and strength training at least six days per week. One of his favorite pastimes is playing golf on days off and he never misses an opportunity to spend time with his friends and family.

J.C. is currently training to become a Special Warfare Combatant - Craft Crewman in the Navy and aspires to one day join Seal Team 6 Grey Squadron.

James River Country Club is thrilled to acknowledge J.C. McKinsey as our employee of the month for July. He has been a part of the JRCC Family since June of 2020. Most of you may recognize him as a banquet server, but J.C. has helped with every department from Golf to the Cabana. J.C. is the kind of employee who shows up on time every time, and is willing to stay as long as it takes to get the job done.

He is often looked to as a leader, showing the newer banquet staff the ropes and ensuring they develop a strong understanding of the high expectations in the banquet department. We are grateful for all of his dedication to the Club, and we are so excited to see what the future holds for him.

JUNE - JULY

## RAYMOND H. SUTTLE

Raymond H. Suttle was the youngest of eleven children and was born on July 8, 1927 in Newport News, Virginia to Michael and Bahea Daye Suttle.

Raymond received his undergraduate degree from Harvard University in 1950 and his Juris Doctorate from Harvard University in 1953. In August of 1952, he married Virginia Grace Bull and they were married for seventy years. In the fall of 1953 he joined the law firm of Jones, Blechman, Woltz, and Kelly, P.C. where he practiced law for 65 years until his retirement in December of 2018.

During his career, he was actively engaged in the community including being a member of several charitable organizations including the Colonial Council Boy Scouts of America (past president), Hampton Roads Junior Chamber of Commerce, Newport News Bar Association (past president), Warwick Rotary Club (past president, now known as Rotary Club of Warwick at City Center), Campaign Chairman of the United Way of the Virginia Peninsula and a Trustee of Hampton Roads Academy. He was a member of the American Bar Association, Virginia Bar Association, and the Newport News Bar Association.

Raymond was a member of St. Stephens Episcopal Church. He will forever be missed by his family and friends. Raymond was grateful for his loyal caregivers and his family expresses their deep appreciation to them.

## JRCC Travels to the Birthplace of Golf!

St. Andrew's, Scotland Golf Trip

July 28- August 3, 2024

The James River Golf Operations team is excited to announce that we will be hosting our members on a golf experience at the Birthplace of Golf in St. Andrew's, Scotland! The trip will be held from July 28th to August 3rd, 2024, and will be led by your Head Golf Professional, Ryan Smith.

We have partnered with All Access GTE to help build this trip and assist with the registration process. Availability will be limited and spots will be filled on a first-come first-served basis. If you're interested in joining us on this trip, please visit the registration page to view the itinerary and register.

# Hello from your camp director!

Dear Camp Families,

Hi, my name is Megan Johnson, and this will be my first summer with KE Camps as the director at James River Day Camp. I am so excited to share this amazing experience with you!

This fall will be my last year studying biology at Christopher Newport University. This means I LOVE all things to do with animals and being outside. Summertime is the best time to take advantage of being able to participate in many outdoor activities, that is what makes camp the best place to be!

Although I have not had many camp experiences, I have had the pleasure of helping to take care of my three nephews and two nieces over the past 11 years. Watching them grow up and teaching them new things has been an amazing journey.

I am excited about all the activities we have in store for camp! We will be learning new sports like golf and tennis and of course, I love being in the water, so pool time will be a blast! When you couple those activities with arts and crafts, fun with food and our themed days, camp will be awesome!

In my free time, I love going to the beach, cooking, and hanging out with my cat, Goose. I cannot wait to meet you all and make amazing memories at camp this summer!

See you at camp,  
Megan Johnson

## 3 Fun Facts about me:

- I play rugby!
- My favorite food is sushi.
- I am the youngest of 4 siblings.

1h · Newport News · 🌐

Pool and then dinner outside watching the sunset and waiting for fireworks. 🇺🇸 🇺🇸

Happy 4th!
