Nicole and I met at Wake Forest University. After Nicole graduated, she stayed at Wake Forest to complete her MA in Psychology - then to West Virginia University for her doctoral degree in Life-span Developmental Psychology. I moved to Charlotte for a year before returning to Wake Forest for my MBA. In 1997, we finally got married and moved to Pocatello, Idaho for Nicole's first faculty position at Idaho State University. We really enjoyed our time there, but always knew we would return to the Southeast at some point.

We moved to Yorktown in 2004 when Nicole joined the faculty in Psychology at Christopher Newport University. Our daughters were 3 and 1 when we moved here. So, though they were born in Idaho, Virginia is home to them. Nicole has loved being a part of the CNU community and is beginning her tenth year as Dean of Natural and Behavior Sciences. I joined a semiconductor company in Idaho and was able to transition to a regional sales role when we moved. After 22 years, I changed industries in 2020 and now I am a Mortgage Banker with Atlantic Bay Mortgage Group.

We are getting used to being empty nesters. Mia is a rising senior at Wake Forest University (following in our footsteps), and Marisa is a rising Sophomore, charting her own path at UVA. The house is quiet when they are away, and it is so great when they come home.

In our time away from work, we enjoy being active, primarily CrossFit, biking, and hiking. We love golf and wish we had more time to relax on the course. We both enjoy playing and do our best to play in the Nine and Wines. You also often will see us in the lounge on Thursdays listening to music and enjoying the company. We just celebrated our 25th Anniversary and life is Good!

Fitness Room Policy

1. **HOURS:** Tuesday – Sunday, 6:00 a.m. – 8:00 p.m.
2. No one under the age of 15 is permitted in the exercise rooms or permitted to use the exercise equipment unless accompanied by an adult.
3. Use of alcohol or tobacco products in the exercise room is prohibited.
4. Read and follow all instructions contained on the equipment.
5. Please limit your workout on any piece of equipment to 30 minutes if there are others waiting.
6. Any member who is starting an exercise program should first consult their personal physician for a medical evaluation and advice. Do not use the equipment after the use of alcohol.

The fitness rooms are provided for the members of JRCC to use at their own risk. Anyone using the equipment assumes the risk of injury caused by their physical or health condition and by misuse or overuse of the equipment. Failure to observe these rules will result in revocation of the privilege to use the fitness rooms.

TUESDAY, AUGUST 16TH

CELEBRATE THE WEEK

WEEKLY NATIONAL HOLIDAY HIGHLIGHTS

NATIONAL RUM DAY

National Rum Day, celebrated annually on August 16th, is the day to celebrate all things rum and the rich history that goes along with it. In the 17th century as America was being colonized, so too were the Caribbean islands. It was there where sugar cane was planted and began to thrive. After the sugar was processed, it left a sticky byproduct, molasses, behind. It was discovered that by distilling molasses, it would create an incredibly potent liquor which is now modern-day rum!

It took many years for the distilling process to result in rum that was actually palatable. In fact, the name rum is believed to be derived from the word "rumbuillion" which means "an upheaval," which is frankly a perfect way to describe having had one too many rum drinks!

In celebration of National Rum Day, this Tuesday enjoy a specially priced \$5 Dark & Stormy, Rum Runner, or Classic Mojito in the cabana, and set your inner pirate free!
