Nicole and I met at Wake Forest University. After Nicole graduated, she stayed at Wake Forest to complete her MA in Psychology - then to West Virginia University for her doctoral degree in Life-span Developmental Psychology. I moved to Charlotte for a year before returning to Wake Forest for my MBA. In 1997, we finally got married and moved to Pocatello, Idaho for Nicole's first faculty position at Idaho State University. We really enjoyed our time there, but always knew we would return to the Southeast at some point.

We moved to Yorktown in 2004 when Nicole joined the faculty in Psychology at Christopher Newport University. Our daughters were 3 and 1 when we moved here. So, though they were born in Idaho, Virginia is home to them. Nicole has loved being a part of the CNU community and is beginning her tenth year as Dean of Natural and Behavior Sciences. I joined a semiconductor company in Idaho and was able to transition to a regional sales role when we moved. After 22 years, I changed industries in 2020 and now I am a Mortgage Banker with Atlantic Bay Mortgage Group.

We are getting used to being empty nesters. Mia is a rising senior at Wake Forest University (following in our footsteps), and Marisa is a rising Sophomore, charting her own path at UVA. The house is quiet when they are away, and it is so great when they come home.

In our time away from work, we enjoy being active, primarily CrossFit, biking, and hiking. We love golf and wish we had more time to relax on the course. We both enjoy playing and do our best to play in the Nine and Wines. You also often will see us in the lounge on Thursdays listening to music and enjoying the company. We just celebrated our 25th Anniversary and life is Good!

Tuesday, September 6th

In an effort to maintain a pristine and organized environment for our members and guests, we will be clearing out all miscellaneous items from the closets and pool areas at the end of our Labor Day celebration.

Members, please check the shelves, coat racks, and lost and found dresser located in the foyer coat closet for any items that may belong to you. Additionally, ensure that all pool toys, floats, goggles, etc. have been collected from the storage bin under the pool deck.

Tuesday, September 6th, all remaining hats, umbrellas, sunglasses, scarves, etc. will be donated to the local Goodwill.

Thank you for helping us uphold and maintain the beauty of the grounds and common areas of James River Country Club!
