President's Report

CLUB PRESIDENT LINDSEY CARNEY

*D*ear James River Family,

I hope this letter finds you and yours well. This is an active, exciting time of year! Our young JRCC family members have moved back into their dorm rooms and collegiate apartments, and our youngest have hoisted their backpacks and lunch boxes, ready for another successful academic year! We wish them all well as they pursue their personal bests. We miss our CNU and local high school team members, but we know they will be back on breaks and over the summer, because our membership has welcomed them into our JRCC family. Thank you.

Water, water, everywhere! Although this time of year shifts our focus from our pool and cabana, let's not forget that the beach, pier, patio dining and 18th green offer our membership and our guests breathtaking water views that are superior to most experiences at any Club. I encourage you to take advantage of each and every one! Enjoy an excellent bottle of wine on our beach-front adirondacks, watch the sunset from our JRCC dock, or lay it up on the 18th green... all of them will remind you why you are a JRCC family member.

As always, we are fortunate and grateful for our exemplary JRCC team who makes our Club home. Staffing challenges have been experienced by Clubs and restaurants alike. Team engagement and satisfaction is a primary goal. I hope that you will join me in showing appreciation and gratitude for those "behind the scenes" JRCC Team members who are crucial to the Club operations. There are many, but JRCC Team Members like Kathi and Sean have demonstrated that they are part of our JRCC foundation. We often don't see their work, but without them, our Board would be remiss, financials and accounting would be deficient and our facilities just simply would not be the finest. Take a moment to stop by and thank them for their dedication, hard work and their leadership.

The Board cannot thank you enough for your unwavering support of our Club. You are the reason we are all here, and for that, we are grateful. As always, there's more, and possibly the best yet, to come! Stay tuned for exciting news in our October letter.

Best wishes,
Lindsey

For the month of September, we want to take a moment to highlight two members who do so much for our Club and deserve our deepest gratitude. Michael Taylor, M.Photog., Cr., Hon.M.Photog., API, F-ASP & Monica Sigmon, M.Photog., Cr. Sony Artisan of Imagery.

Each month Michael and Monica provide our Club's Member of the Month with stunning photographs, one of which is chosen to grace the front door's

entry way, and is featured in the Weekly Newsletter. Every photograph they submit is timeless, elegant, and captures the spirit of the members in the photo.

Both Monica and Michael are multi-award-winning titans of the photographic industry, best known for their fresh, innovative signature styles that represent their clients with emotion and honesty. They joined their amazing talents fifteen years ago and own the premier photography studio in the Williamsburg/Tidewater area. Together they teach fun and engaging programs to help photographers elevate their art, brand, and studio to work with discerning clients in a boutique environment. In their programs they hold nothing back and gladly share each of their unique perspectives and insights to the jovial enjoyment of their captivated audiences. Monica is a Sony Artisan of Imagery. A much coveted honor. Michael is Past-President of the Professional Photographers of America and a Fellow of the American Society of Photographers.

We greatly appreciate Michael and Monica for lending their time and talents to the Club, and for providing our members with extraordinary photographs!

Featured Dish of the Week!

AHI TUNA POKE TACOS

Ahi tuna coated in sesame seeds, seared then chilled, served over with fried wontons, cilantro lime slaw, and charred pineapple salsa. YUM! This dish feels as naughty as a nacho, but the bright flavors of cilantro and pineapple fuse with the umami of the seared sesame to create the perfect mixture of sweet, salty, savory, and crunchy.

This small plate will be available Tuesday through Saturday night. If you love this dish be sure to vote for it to be added to the new Fall & Winter menu!

Menchville High School Class reunion 1974 - 1980. Story of my life they confused my picture with Faye's; so we edited my first name by hand but I didn't realize until the end of the evening that the last name was wrong too. 😊 Good to see old friends and acquaintances. Fun evening. Thank you **Glenn E McGinnis Jr.** for coordinating this event.
