President's Report

John R. Lawson II

The changes are everywhere! With perfect timing, spring and James River Country Club are starting to bloom and grow. Our golf course gets better every day with our new bunkers and sod. The new Golf Pro Shop is under construction, final clubhouse painting and new furnishings are being completed and the new lawn area on the river is taking shape.

We are also experiencing more group golf tournaments, banquets, and increased food and beverage sales. With ten new members last month and many new classification increases for athletics,

we are making great progress in all the important areas.

Your Board and committees are working hard and creatively and the results are very evident. We have increased the number of events for this summer and the River Ratz Swim Team needs swimmers for fun, friendship and competition.

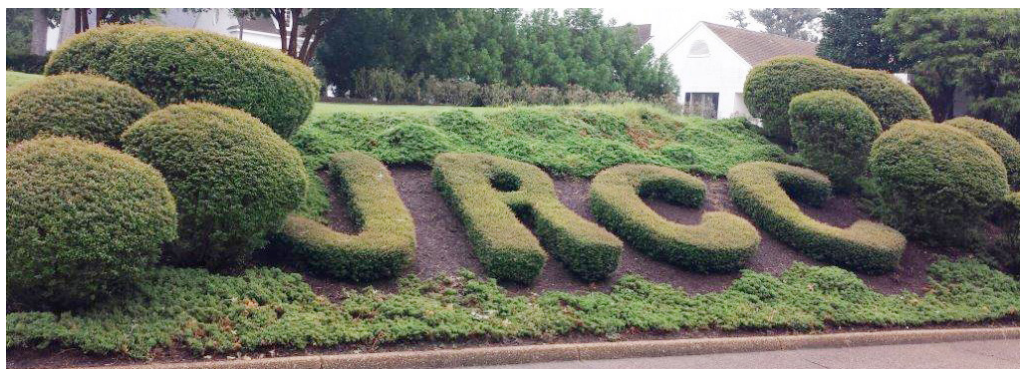

This is truly my favorite time of year. Bring some friends and call a member you haven't seen in a while and come visit the Club. We are starting to have the energetic crowds like I remember when I joined in 1975. There is no other experience on the Peninsula that compares!

MAUREEN SLATTERY

Maureen Slattery, assistant tennis professional here at JRCC, is our April Employee of the Month. Maureen played locally for Warwick High and Hampton Roads Academy before playing her college tennis at the University of Denver, where she achieved All-American status. She's worked here at the Club for nearly two years, and enjoys teaching tennis to people of all ages and abilities. Longer term, Maureen would like to be involved in high-level college coaching. Please congratulate Maureen on her hard work and accomplishments here at James River!

Membership & Social Committees

Michael Archuleta, Chairman

I'm happy to report that our membership campaign has already resulted in ten new members in the first month! Please help us reach our goal of 50 by the end of May. And, as an incentive to motivate our tennis-only members to upgrade to social or athletic membership, in May all tennis members will receive social membership status.

And what better time than now to bring in friends and family to see all the renovations and updates our Club is undergoing along with all the events! As the golf shop is preparing for its move upstairs with a state-of-the-art golf simulator, we can look forward to the new fitness center in its former spaces by the fall. And the re-sculpting of the area around our old tree will help provide many more options for outdoor events and functions. If you

have any ideas for events of any kind, please let me or anyone else on the Membership and Social Committee know so we can build it into our Club calendar of events.

Like many of you I was sad to see our 150-year-old tree come down last month but happy that we were able to do so safely before its decayed structure caused any harm. It was such a part of our history. In the near future we will have the opportunity to provide our own personal events tied to the life of that tree as we identify key events in our Club history that happened when each ring was formed.

Thanks for your continuous support as our Club continues to evolve yet still provide the excellence, tradition, and beauty known to characterize James River Country Club.

Members of the Month

MS. SUSAN BROOKS & MR. DANIEL PRITCHARD

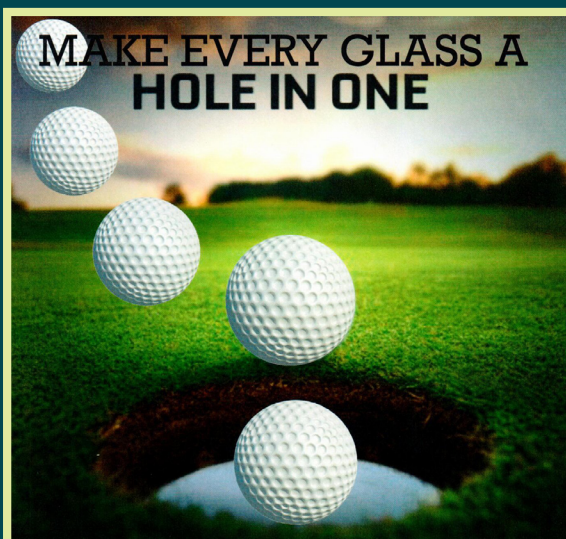

We are happy to announce Ms. Susan Brooks and her husband, Mr. Daniel Pritchard, as our April Members of the Month. Not only do they enjoy attending the Club's social events and dining in the River Room, they also host special events here—sharing their love of the Club with family and guests.

Thank you, Susan and Daniel, for your continued support of JRCC!

My paintings range from landscapes, street scenes, and sunsets, to flowers, homes and still life's. For anyone who may be interested, "My main goal is to paint the pictures that they cherish personally and want to display in their homes."

Mr. Armfield's paintings can be seen in the Gallery section on his website:

"5 Objects Still Life from 'Civilization Renaissance' Segment TV Series" – 36"x24"; oil on canvas; \$2,800.00

"Cypress Tree on the Putting Green of JRCC"
14"x18; oil on canvas; \$450.00

Pat Canady Buchanan

A lifelong resident of the Virginia Peninsula, I was born and raised in Hampton and currently reside in Newport News. A realistic painter, I paint solely for the joy it brings me - there are no deep meanings or hidden messages in my works. I currently work exclusively in acrylics depicting a wide range of subject matter - mostly things that 'speak' to me as I encounter them. The works I have selected for display at James River include some of the subjects I enjoy painting most.

"Joy Ride" ~ \$450

"Sugar Shack" ~ NFS

A Note from the Pro

Jeremy K. Franks, PGA

April is almost here and with it the golf season officially begins! Ladies' League practice rounds begin April 2. The Ladies' League Instructional Program also begins in April and is one of the BEST investments the Club offers. The fee for our Ladies' Golf League is \$55 and covers golf events throughout the year, the 3-hole Developmental Golf Group, and provides discounted access to instruction through our new Ladies' Academy, led by Daniel Soehren, PGA First Assistant Golf Professional at JRCC. Please contact the Golf Pro Shop for more details or check out the Ladies' League Blog, <http://jrccwomensgolf.blogspot.com/>!

Junior Golf has never been better at JRCC. We are investing in our youth through Junior Academy powered by Operation 36. To date, between Junior Academy and our Birdie Basics Program (Age 3-6 years; starts mid-April!) we have 24 total juniors enrolled, and it is never too late to sign up! One of the key benefits of the program is for our juniors to earn the opportunity to play with the PGA Professional staff in our Pro-Junior Invitational. On Saturday mornings at 10:30 a.m., all junior golfers who have completed the rules and etiquette portion of Operation 36, and can break 90 from the white tees for boys and green tees for girls, can compete against one of the JRCC PGA Professionals. Last week, I had the pleasure of taking on Carey Hutchens, Owen Stanton, Scott Spencer and Nick Collins. With my caddie, Peter Johnson, I was able to remain undefeated, but only by three strokes! Personally, I look forward to

this competition and someday to have my children earn the right to play with the Pro-Junior Invitational Group.

The Golf Calendar is robust this season, as always! Members who are eligible to play in our nine major events for men should have seen the Golf Tournament Fund of \$175 on last month's statement. This fee entitles you to the best deal I have EVER SEEN in the golf industry. The nine events are spread out on the calendar to give variety and flexibility in scheduling. The events are: Severn White Match Play Club Championship, Men's Opening Day, Men's Member-Member, Men's One-Day Member-Guest in May, Club Championship, Men's One-Day Member-Guest in August, Men's Putting Championship, James River Ryder Cup and Fall Finale. Please take time to sync the Club calendar with your personal calendar as every year someone misses a great event! If you don't participate in Golf Tournament Fund, and play in just three of these events, you are missing out on a great deal!

The Golf Committee also provides a number of great options for those who did not utilize Golf Tournament Fund, or just love playing in events. For a per event nominal fee, Social and Athletic members can play in events such as Twilight Golf, Two-Person Team Match Play Championship (started in 2015), Family Championship, Sweeps and the CTP Challenge just to name a few. As always, if you have any questions, e-mail, call, or text a member of the JRCC Professional Staff and we will be happy to help!

Lastly, I want to personally thank the Board of Directors, Centennial Committee and the Golf Committee for what will prove to be one of the best decisions that this Club has seen in decades. The Centennial Plan is underway and the buzz at the Club is unprecedented in my eight years. I personally have invited guests to play tennis in our amazing tennis complex, posted videos on FaceBook about the bunker project, videoed our beloved Oak coming down last month, and rejoiced in the breaking ground of our new member service facility, the Golf Professional Shop. The service we will be able to provide EACH member of the Club and their guests will be second to none, and like nothing you have experienced at JRCC in my tenure.

Many of you have expressed concerns regarding the direction of our Club to me and I am sure some of you are keeping your comments to yourself. I would personally like the opportunity to buy those of you with concerns lunch in our beautiful eight-tap Huntington Lounge and let you voice your concerns. Negativity toward JRCC in our surrounding community can be detrimental, and I want all to promote this great Club for what it is...an amazingly friendly, family-safe, phenomenal facility with second-to-none amenities and leadership that is striving for excellence. I am so proud of each and every one of you who are a part of the JRCC Family and are playing a part in its growth! We will grow, united together for JRCC's success!

Golf & Grounds Maintenance Report

Steven C. Suttle, Chairman

Report by Rob Wilmans, Director of Golf & Grounds Maintenance

Despite the rainy weather in March the bunker renovation project is rolling along right on schedule. By the first of April at least 50% of the bunkers will be complete and ready for play with most of the rest needing sand only. We are well ahead of the projected finish date of May 1! If things keep moving as they have, I don't see any reason to not have all of the bunkers finished and open by the third week of April. The contractor, Total Turf Golf Services, has been awesome to work with and I could not be any happier with the quality of their work. When the grass greens up this course is going to look new, updated, and there will not be any more bunker liner to contend with. Happy days!

The rest of the course has fared well through the wet winter. There are some thin areas along some tree lines that are staying a little wet, but all in all I am optimistic about breaking dormancy without any catastrophic turf loss like we experienced last year. New mulch is going down in the landscape beds in hope of forcing spring upon us. We will be re-vamping the landscape in front of the clubhouse in conjunction with the new Golf Pro Shop. Once the outside of the building is painted, our horticulturist, Doug Croft, will be installing his new plant material bringing a whole new look to the property that will feature color and texture that will shine during all four seasons.

Speaking of a whole new look, the tree behind the clubhouse has

been removed and the grading work is underway to create a lawn that we can use for outdoor recreation, river viewing, and something that is big enough to hold a large tent for outdoor functions. Very exciting. We had saved some logs from the tree and had a portable sawmill come in and make lumber out of those pieces. It is not clear what the exact use will be for this lumber, but it will be used in a manner so that the memory of the tree lives on for our membership. Whether that is in the form of benches, cutting boards, plaques, etc., is a decision we are still making.

This is a very exciting time at James River Country Club, and those of us who work in the Golf and Grounds Maintenance Department are happy to be a part of it!

After a dozen years performing in over 40 states and over 200 clubs, he has honed his act to a broken beer bottle's edge. His comedy reflects his growing up in West Virginia, with stories of things

he used to do, blended with his views on everything from politics to women to kids' toys.

He has OPENED FOR: Ron White, Bobby Slaton, Alan King, Jim Breuer, Bobcat Goldthwait, Rondell Sheridan, Jeff Marder, Mario Joyner, The Vogues, The Showmen, and The Chairmen of the Board.

Eric Hunter performs non-stop around the country leaving his mark as a clean, funny, bright, friendly and original performer. Hello from James River Day Camp Director Lauren Hancock!

Dear Campers and Families!

My name is Lauren Hancock, and I am so excited to have fun with you this summer! This will be my first year as a director with KE Camps, but I am not as "green" as I seem. I was a counselor last year at Napa Valley Country Club, in Napa, California! I got to spend the summer out in California visiting my family, and I had so much fun working with KE Camps, that I wanted to bring my experience back home with me!

I love working with kids of all ages. My passion began even before graduating high school, when I was a volunteer coach for my swim team. I have also been a summer camp counselor for day camps here and there throughout my college experience. I am a graduate of James Madison University, where I got my degree in Elementary Education. I just finished my sixth year of teaching fourth grade at Nelson Elementary School in Newport News. My favorite subject to teach is math and I love being able to incorporate STEM activities into my classroom. When I am not teaching, I coach a problem-solving team called Odyssey of the Mind. I also love doing crafts, watching movies, baking, and hanging out with my dog and cat!

My absolute favorite activity that we did last summer was Thankful Thursday because I love giving back to others and doing things to make people smile. My favorite event was Alex's Lemonade Stand, because we got to serve delicious lemonade and make money for an amazing organization. Another of my favorite activities was Iron Chef. I love seeing how creative campers got with the ingredients they had to work with! I also get excited for Minute to Win-It challenges, because I like to see everyone work as a team, and cheer on the person competing!

I can't wait to meet and get to know each and every one of you! I know this is going to be an amazing summer, and I am so excited for it to get started!

Peace & Love,
Lauren

Special notice to our Tennis Members!

MARCH THROUGH MAY, we’ve initiated a very exciting **2019 Spring Membership Campaign!** For those who are interested in converting to a **“Social”** or **“Athletic”** membership, please consider taking advantage of this opportunity and **Experience the Excellence, Tradition and Beauty** our Club has to offer!

During this campaign you can convert to either one of these categories without incurring any additional initiation fees. The only added cost you will incur is a \$200 stock purchase which is required of all active social and athletic members and is refundable upon resignation from the Club. This stock purchase also gives you voting rights in our annual meetings.

Dues and fees are as follows:

MONTHLY DUES

Type of Membership	Over 40		30-39		Under 30	
	Athletic	Social	Athletic	Social	Athletic	Social
Resident	\$569	\$423	\$468	\$351	\$407	\$294
Out-of-town (20-99 miles)	\$316	\$227	\$248	\$191	\$210	\$163
Extended OOT* (>100 miles)	\$693	\$578	\$615	\$506	\$541	\$449

* Extended OOT dues/fees are paid every 6 months

ATHLETIC MEMBERSHIP: This membership allows unlimited access to all of our facilities: dining, pools, outdoor tennis and golf (*including greens fees*). This membership appeals to golfers and families who would like to take full advantage of the Club and all its amenities and programs. *Dues increase when the next age category is met; with no additional initiation fees.*

SOCIAL MEMBERSHIP: This membership allows unlimited access to: dining, pools and outdoor tennis. A pay-as-you-go policy is in effect for social members who play golf. Generally, anyone playing more than twice a month is better off with the Athletic Membership. *Dues increase when the next age category is met; with no additional initiation fees.*

Over the past year our Club has expanded the type and frequency of social events. We’ve also benefitted from enhancements to our culinary and beverage options.

Please don’t hesitate to contact us if you have any questions or would like to learn more about this great opportunity.

Membership Matters! Thank you for your support!

Holly Hager, River Ratz Manager/Event Planner

Our River Ratz Swim Team is growing again! In the November 2018 issue of *On the James*, we introduced our new Aquatics Director, Ken Zolby. We have tried to recruit Ken for at least five years—WELL, we got him and he is fantastic! As our new head coach, Ken will also be the manager of the pools this summer and the lifeguards as well. More of Ken's background will be in the May newsletter issue. We also have a few assistant coaches, Whitney Hager, Logan Culp, Clayton Whetstine, Caroline Hager and Michael Keel. All of these assistant coaches have been on the team for at least 8-10 years. The Booster Team is feeling good about our upcoming season. We would like to welcome two new boosters to our team this year: Kristie Manning (Bentley and Conor's mom) and Tasha Rose (Ava and Harper's mom).

Please join us for our River Ratz Ice Cream Social (a.k.a. swim team registration) on Wednesday, May 8, beginning at 4:30 p.m. and ending at 6:30 p.m., to sign up your child for the season. Please bring your calendars to see what volunteer shifts you are available for working. The season runs from May 28 through August 3. We have a lot of new plans and games to ensure the season is fun and also competitive. If your child needs a team suit, which he/she will, please contact The Swim and Sport

Stop, a local business in Newport News off of Warwick Boulevard, also known as Elliot and Duggan's Trophy Shop. Their phone number is 757-874-7946. The owners know which suit we use for our team. We try to support local businesses so we encourage all to patronize them. We are looking forward to a great turnout, and free ice cream with fixings for all who attend. If you have questions, please feel free to contact Holly Hager at 757-660-0936 (phone or text). GO, RIVER RATZ!
