## President's Report

John R. Lawson II

Summer is coming to a close and your Club has never looked better! The moment you enter our gate, you see the effect of the many efforts to create a unique experience with attention to detail and quality. I am convinced that the number of new members and increased use of Club facilities by all members is the result of our commitment to continual improvement.

This month you will see progress on the new Fitness Center, additional landscape enhancements, and final plans for a renovation to our parlor. The Centennial Committee is prioritizing and pricing over 20 additional improvements that will take place as the membership grows and funds are available. Several Club members have "adopted" all or part

of an improvement project due to sentimental value or a desire to leave a legacy from their family to be enjoyed by future generations. If you are so inclined, please contact me or Conrad and we will show you the many possible ways that you can leave a meaningful and lasting impression that will give you a sense of pride and satisfaction in something we all love. Luck, hard work, and good fortune should be shared while you are enjoying life and can see the effect on others, not when you are gone. Please consider a way to leave your mark for others to admire by making a significant gift for all to enjoy.

## The Manager's Desk

Conrad C. Lickel, General Manager/COO

**E**lwood Hill has been hired as our Men's Locker Room Attendant and lower level hospitality agent. As we grow our services and amenities (fitness, kids' zone, etc.) we will need an enthusiastic and self-motivating individual to monitor and maintain these activity areas. He will also be developing an outstanding shoe shine program for both men and ladies as we revamp the current shoe room. Watch future e-mails for a full introduction and service outline. We are continuing on a path of constant improvement in both our facilities and our services and we thank you, the membership, for supporting these efforts!

## Employee of the Month

*Report by Rob Wilmans,  
Director of Golf & Grounds Maintenance*

### JASON LAWERGREN

Jason started working here on a part-time basis back in June of 2018. He was working full time for a landscaping company and working here on Saturday and Sunday mornings. Jason was quickly identified as a person we would like to have on our team on a full-time basis. In September he left the landscape job and became part of the year-round grounds crew. His landscape background, especially in the lighting arena, quickly made him a valuable member of the team. Jason runs a landscape lighting business after work hours called Just Light (JL). He also likes to play golf and is occasionally seen singing at some of the restaurants and bars in our area. Jason is originally from western New York and has been living in Newport News with his wife, Leslie, for the last three years. Jason's willingness to do whatever work needs to be done, no matter how dirty he may get, and his great attitude while doing so qualifies him to be employee of the month. Over the past couple of months, he has been instrumental in repairing irrigation and helping to hand water greens. Thanks, Jason!

## FEATURED ARTIST FOR JULY AND AUGUST

### Susan Britt Macon

Susan Britt Macon is a North Carolina native, Salem College graduate, wife, mother and grandmother. A self-taught artist, Susan Britt has been painting since 2003 and attending classes and workshops with noted teachers and artists to develop her craft. Inspired by movement, nature, design and personal experience; each piece is a reflection of her heart and soul. An abstract expressionist using bold colors, Susan Britt's preferred medium is oil or acrylics on paper or canvas.

#### ARTIST STATEMENT

Painting has allowed me to express and record in a visual way what I am not able to put into the written word. Those who know me know that creative writing is not one of my talents; while if I were talking to a group of friends, I could "hold court" all day! With that in mind, it is a blessing to have found the gift to create and express on canvas what is in my heart.

Several years ago, during a time of self-doubt and uncertainty, a concerned friend asked me the question..."What do you want to do?" Abruptly, I replied, "I want to paint!" Completely startled and looking over each of my shoulders, I asked, "Who said that?" At that moment my friend who asked the question encouraged me to embrace this call to paint. He pointed at my heart and lovingly said, "I believe that you have been given a gift...now use it!"

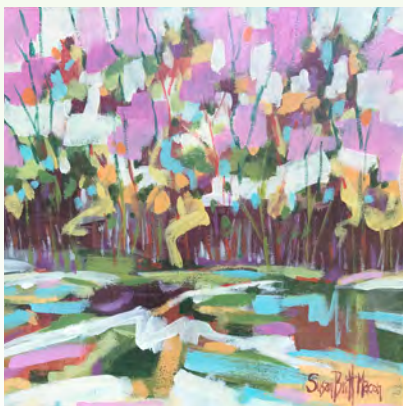

With anticipation and excitement, I began taking art classes and workshops. I've studied under accomplished artists including: Alice Williams, Frank Rowland, Mike Hoyt, John Silver, Ken Wallin, Carol Marine, Jim Draper and David Kessler. As my skills have grown in the fundamentals of drawing, color, values and composition, I have found more freedom to create and express myself. To this day, my work continues to evolve.

I would describe my painting style as abstract expressionism. I am inspired by color and movement. My compositions are influenced by nature, interior design, photographs, people and personal experiences. All my work is created to reflect a deeper personal story that is beyond a pretty or interesting painting. Client comments include:

*"I don't know what it is about your art, but it speaks to me."*

*"There is such joy and hope in your paintings. They just make me happy."*

I am grateful that painting has allowed me to translate a part of my soul to canvas; sharing my joy, hope, and light.

"Reflections" – \$250

"Morning Bouquet" – \$500

"Rainy Day Downtown" – \$400

"Above it All" – \$575

## Membership & Social Committees

Michael Archuleta, Chairman

I hope you're enjoying this summer as much as I am! I especially like seeing all the new members who have joined our James River family over the past few months!

For those of you who are new or have returned...Welcome! Over the next few weeks we will be starting an "Ambassador" Program with the intent to introduce all our new members to all our Club has to offer. In the meantime, please don't hesitate to reach out and ask questions. For years we've said that "Membership Matters." I hope you'll agree that with all the new improvements around the Club we really mean it!

I joined JRCC in 2010. Since then there have been several changes and updates, but not like we've seen over the past couple years. Along with having a world-class golf course (thank you to Jeremy and Rob and their incredible teams for that); a gorgeous view of the James River

with all the pool, Cabana, beach and lawn activities; a wonderful tennis complex; and beautifully manicured grounds throughout the property; our clubhouse amenities provide us with a wonderful, central location to enjoy friends, family, and co-workers in numerous social settings. I love hearing how excited everyone is about the upgrades we've seen over the past year. The clubhouse looks phenomenal, the new Golf Pro Shop offers a welcoming site for all who come to play, the backyard provides an amazing venue for all sorts of activities, and the golf course improvements are enjoyed by golfers of all levels! Then there are the many behind the scene upgrades like new air conditioning, men's locker room restroom upgrade, upgraded Wi-Fi, and exterior painting that help us enjoy all our Club has to offer. On the horizon the new fitness center will be a welcome addition. Recently, Pete Paine put together a video about the golf

course and some of the improvements. I urge you to take a look at the video on YouTube at:

<https://youtu.be/-J7tpgtVcNA>

Thank you, Pete!

If you're wondering why I mention all these upgrades in a Membership and Social Committee article, it's because they have such a positive impact on current and potential members. What a great time to bring in a friend to introduce them to all our Club has to offer. And don't forget that legacy members get a 25% reduction on their initiation fees.

As a reminder, we also have full reciprocal privileges with Norfolk Yacht and Country Club. Don't forget to drop by and take advantage of our Club benefits that extend to the south side. On a final note, thanks for all the positive comments about our Club and new members! Now let's enjoy the rest of the summer and all our Club is offering!

## Member of the Month

### MR. MICHAEL MASON

Our August Member of the Month is Mr. Michael Mason. You can usually find Mr. Mason on the golf course or enjoying dinner in the River Room. He also likes to give back! On Saturday, July 27, Mason & Associates held their 6th Annual Document Shredding Day and Food Drive at James River. Once again members were able to drop off their sensitive documents for on-site shredding and bring non-perishable food items or donations to help out the Virginia Foodbank. The same day, Mr. Howard Munnikhuisen wanted us to know his thoughts about this complimentary, ShredIt event: **"Please thank everyone involved with today's event. So well organized!"** So, thank you, Mr. Mason, for your continued support of the Club and your contribution to our local community!

Every year since Judy and I joined the Club we have chosen to have our Business Christmas Party at James River Country Club. Hard to believe seven years have passed. Even harder to believe is that every year the JRCC staff has exceeded our expectations! Our first party was 15 people and last year we had 70! The food, decorations and staff have over delivered each and every year. Our staff loves the event and looks forward to it. The best bargain I have ever experienced in my 39 years not only in price but quality for your money! Kristin is the person who takes care of our every need and has even made suggestions to improve the experience for our team. We look forward to this year and years to come! Thank you, James River, for helping us take care of our people!

Joshua A. Dornan, Chairman

Holly Hager, River Ratz Manager/Event Planner

The River Ratz, 60 kids and teens combined, have enjoyed a fun season. In July we had a float party—swimmers brought their best float and cooled off with ice cream floats at the Cabana. Christmas also arrived early in July with fun hats, inflatable reindeer and candy canes and, most importantly, cupcakes themed in red and green. Our end-of-season banquet, beach themed, was held on Wednesday, July 31. Michael Keel, our very own swimmer and assistant coach, provided entertainment for the evening. All enjoyed the music as

Michael played his acoustic guitar after the banquet ceremonies.

Our last and final meet is the City Meet at Fort Eustis, scheduled for Saturday, August 3. This is an all-day event. Please be sure to bring your registration, an insurance card and your driver's license—all need to be current or you will not be allowed on the base. We hope all the children and the adults had a fun season, and perhaps, if you were a new family in May to our team, you have met some parents, and your child(ren) will return to swim again next summer.

We would like to thank the following: our head coach Ken Zoby, assistant coaches Michael Keel, Whitney Hager, Logan Culp, Clayton Whetstine and Caroline Hager. Our Boosters began planning the 2019 season in March. So, Elisabeth Whetstine, Jennifer Miller, Annette Lombardo, Kristie Manning, Heather Short, Tasha Rose and Michelle Orphanidys, the entire River Ratz Team would like to thank you for your hard work! See you around the Club!

**IMPORTANT DATE!** SATURDAY, AUGUST 3 | CITY SWIM MEET AT FT. EUSTIS (ALL DAY)

## A Note from the Pro

Jeremy K. Franks, PG

Summer is here! The golf course has been busier than I have ever seen it. Thank you to all who have been playing.

We have a number of new members interested in playing golf and my staff and I want to help you get connected to the JRCC golf family. Who you play with is statistically the third most important reason people play golf. Let

us find you a great group to play with.

The Club hosted two major outside events in July. The U.S. Amateur Qualifier, July 8 – 9, and the MAGA Senior Championship, July 21 – 23. Your Club shined on all levels and I have never been so proud to be your head golf professional. The course was in amazing shape thanks to Rob Wilmans and his team, the facilities all ran smoothly

thanks to Sean Gilmore, Facilities Engineer and the Food and Beverage operations was pulled off to perfection by Kristin Bremar and her team. Thank you to all our volunteers and spectators from the Club!

Tune in to Fox on August 18 – 20 and watch the U.S. Amateur at Pinehurst, North Carolina, and cheer on our qualifiers!

## Golf & Grounds Maintenance Committee

Steven C. Suttle, Chairman

Report by Rob Wilmans, Director of Golf & Grounds Maintenance

**D**og days of summer arrived toward the end of July with a long stretch of 90 degree plus days. The course is holding on strong and playing conditions continue to be good. Green speeds are down a little this time of year to protect the delicate turf on the putting surfaces. Density remains good and the deep root structure we achieved this spring should carry us through the hot months. Fairways continue to play fast and the

monthly growth regulator applications have helped to keep clippings to a minimum and prevented those areas from becoming spongy and thatch.

Now that most of our summer events are behind us, we will get out the new aera-vator and start working on some of the hard pan areas along cart paths and near tree lines. This machine pushes a solid tine into the ground and then vibrates it so the ground below shatters. Once we

have loosened up these compacted areas, we will apply soil amendments and get some grass growing in these areas. When it is time to over seed the fescue in the fall, we will use the same machine with a seeder box attached to break up the hard areas and push seed into the ground.

Hopefully we will get timely rains the rest of the year and great days for golf!

## Junior Golf

Daniel Soehren, PGA

Junior Golf continues to roll on this summer, as we continue our Practice+ Program on Thursday evenings for ages 7-14 at 5:00 p.m., and Birdie Basics on Saturday mornings for our 3-6-year-old age group at 9:00 a.m. and 10:15 a.m.!

Birdie Basics is a story-driven golf instruction program that teaches through fun, memorable games and allows young children to feel success-

ful and get excited about golf from day one! We will continue our summer session through August into September, but please note, we will skip the dates of August 3 for the Commonwealth Cup Tournament, and August 24 for the Club Championship Tournament.

The **James River Junior Academy** will resume on August 28! Junior Academy is our flagship junior devel-

opment program that combines weekly classes, bi-weekly on-course challenges called Op36 Matches, and bi-weekly supervised practices called Skills Bootcamp to help your junior build skills and enjoy playing the game of golf! Now is a great time to get your junior connected to the game of golf, so please Contact Daniel Soehren, PGA, to learn more!

We will be hosting an orientation session in August (date/time TBD) to provide more information on our fall programming. So be on the lookout for that announcement!
