President's Report

John R. Lawson II

We begin our new fiscal year the first of February with good momentum towards the transformation of our Club. Most of the deferred maintenance items are completed including several mechanical units that required replacement, some as old as 30 years. We begin the bunker replacement project this month. Very soon, we will start the new Golf Pro Shop and golf simulator. Also, the expansion of the Huntington Lounge patio and new exterior entrance will begin this spring. The Fitness Center will follow the pro shop completion.

Despite annual increases in the cost of operations, your Club had no dues increase from 2006-2012. Virtually all of our peers pass along the increased

cost annually and that is a big reason we offer the lowest cost for a country club experience. In our January meeting, the Board approved a 3% increase in dues across all membership categories effective February 1, 2019, to help cover the cost of inflation.

We have started the first month of the New Year with four new members. If we can repeat this every month, we will be in great shape and will be able to provide even more entertainment and improvements. Please help our Club by each of us getting one new prospect by this spring. I hope to see you at the Annual Meeting on Monday, February 11, at 5:30 p.m.

Annual Meeting

MONDAY, FEBRUARY 11
5:30 p.m.

Around the Club

The Manager's Desk

Conrad C. Lickel, General Manager/COO

Last month we identified our capital projects for 2019 that are all being funded through your monthly capital fee contribution, and for that, we thank you!

This month I would like to highlight recent or soon to be made capital purchases that are also made possible by the same capital fee fund:

- New Laundry Room in the lower level of the clubhouse
- New custom linens for the River Room with additional table and service accents
- A new 8-tap draft beer system (installed February)
- All new audio/ visual equipment
- New projector for the Golf Museum
- Newly painted banquet rooms and common areas

- New pool umbrellas
- A WI-FI solution (next 90 days)
- A new Club utility van
- New LED tennis lighting (this will be a two-phase project; [2019 and 2020])
- New banquet chairs
- Golf course equipment leasing program.

And the list of improvements goes on as we strategically re-invest capital dollars back into our infra-structure and amenity and service programs.

Continuous improvement! This is our goal, our motto, our credo – our commitment to you, the membership!

Employee of the Month

Report by Rob Wilmans,
Director of
Golf & Grounds Maintenance

HILDA ALVAREZ

We introduced you to Hilda earlier this year while she was working in the golf and grounds department. She has since moved to housekeeping and brought her hard work ethic and cheery disposition to the clubhouse and the rest of the buildings on property. Her desire to be great at her job, and willingness to suggest extra work that would make improvements has again earned her employee of the month status. Improvements to cleanliness in the clubhouse has improved dramatically, and she is doing the work of 1.5 people. If you see Hilda on the property, say hello and return the giant smile she is always wearing!

E-MAIL UPDATES: If you are not currently receiving the Club e-mails about upcoming events, please contact Cynara Colbert at 595-3327 or send her an e-mail: cynara@jamesrivercountryclub.com

HOURS OF OPERATION

during the winter months, January – March 2019

FEATURED ARTIST FOR JANUARY AND FEBRUARY

Daniel Robbins

Daniel Robbins grew up in Virginia Beach, Virginia, and always wanted to create art. During grades 4-8 he was enrolled in the Old Donation Center for the Gifted and Talented, and in high school he continued his study of art at the Governor's School for the Arts. He moved to Richmond, Virginia, to study in the Communication Arts Department at Virginia Commonwealth University, which is ranked in the top three art schools in the country. While at VCU, he received multiple awards for his artistic and academic achievement, including: Most Outstanding Junior and Senior in Communication Arts, Dean's List, and a scholarship from the New York Society of Illustrators' Student Competition.

After he received his B.F.A. in 2006, Daniel started to teach drawing and painting as an adjunct faculty member in the Communication Arts Department. He has also exhibited his paintings in galleries in New York, Virginia, North Carolina, Charleston, Boston, and Park City, Utah. Daniel has received numerous honors and awards including: *Award of Excellence* from the Portrait Society of America's 2014 International Portrait Competition; *Best in Show* at the "Virginia Artists Juried Exhibition," in

Hampton, Virginia; *Virginia's Finest Artist* at the "Boardwalk Art Festival," in Virginia Beach, Virginia; *Winsor and Newton Material Award* at the Salmagundi Club in New York City; and he wrote "The Road Not Taken" for the *Artists on Art* publication. He was also named as one of "21 Under 31" artists to collect by *Southwest Art Magazine*.

His thoughts on his work:

In my work I explore the world around me. Art gives me the opportunity to analyze both the physical properties and psychological effects of my subjects. I focus on the honest experience of seeing. I do not observe something simply as unique or beautiful, but allow my mind to think, question, and respond intellectually to the subject. To focus on beauty alone denies both artist and viewer the full experience of observation and intelligent response. My art represents this process of seeing. The final result of the work is not a representation of one idea, but a multilayered response spawned from repeated observation.

Daniel Robbins continues to live, work, and teach in Richmond, Virginia.

- Denver Light – 6 x 9 – \$300
- Mountain Meadow – 12 x 12 – \$950
- Peonies in the Mountains – 12 x 12 – \$950
- Rhododendrons – 6 x 8 – \$300
- Roses – 8 x 8 – \$550
- Wave – 11 x 14 – \$950
- The Inlet – 18 x 26 – \$950

A Note from the Pro

Jeremy K. Franks, PGA

It looks like 2019 is shaping up to be an amazing year for golf at JRCC. The bunker project is planned, prepped and scheduled to be completed by May 1. The Golf Pro Shop is moving upstairs this year; it is planned to begin renovations to an old storage room as well as the Rose Room in February. Your entire JRCC Golf Team awaits its arrival and the opportunity to serve you and your guests like never before. Once completed, we encourage you to utilize the new bag drop to help us provide first class service from our Member Service Specialists.

Your JRCC Golf Team has finished its planning for the 2019 season. Each staff member was asked to write down five things we did well, five things we could do better and five things they would like to see added to improve our service to our membership and guests. We are working on implementing some of those ideas that were chosen from our team building exercise: 5, 5, & 5. One of the ideas we are implementing is our Thursday's at 8:00 a.m. "Breakfast Club." Members with an established USGA handicap can join Rob Wilmans and myself for a fun-and-fast 9 holes of golf. The formats and pairings will change each week. The goal is to finish by 10:00 a.m. and get you back quickly to your Thursday routine. Contact the Golf Pro Shop for more information.

In our JRCC Ladies' League, the golf team has created a developmental league to help our beginners feel more comfortable playing the course. All ladies who join the league will be able to accompany me for a free,

three-hole event each Tuesday that will begin no later than 9:00 a.m. This program will provide beginners with the opportunity to meet our delightful lady golfers before they tee off, and will play three of our easier holes, supervised by a golf professional. Ease of transition is the goal and will help more ladies enjoy Ladies' Day—Ladies only on Tuesdays, 8:00 a.m. – 10:00 a.m. The season long fee to join the league is only \$55. All ladies will also be provided a clinic with Daniel Soehren, PGA, First Assistant Golf Professional, in the afternoon for a nominal fee to help them with all areas of golf instruction.

The 2019 Golf Tournament Schedule is finished and printed copies will be available in the Golf Pro Shop in March. By the middle of February, all golf events will be posted to the website and can be synced with your personal calendar. We have great events for men, ladies and juniors in 2019.

We will be hosting the U.S. Amateur Qualifier and the Middle Atlantic Golf Association Senior Championship in July. The golf staff could really use your help in volunteering for these events. Contact the golf shop if you would like to reserve your volunteer spot, receive a gift from the VSGA for your efforts, as well as watching some amazing golf! Last year the medalist from James River, Aksay Bhatia, shot an unbelievable 64-66 and was an impressive young man for only being 16 years old.

Beginning this year, the JRCC Golf Shop will have an equipment

trade-in program. We will provide our members with the opportunity to trade-in old equipment for credit toward any golf shop merchandise. We will beat the listed price on PGA Value Guide. Once you trade-in your golf club(s), credit will be placed on your Club account. With the addition of the Foresight Launch Monitor and Simulator, JRCC is now the premier place to get fit for equipment. Not only will you get fit properly by PGA certified golf professionals, but you will be able to try our demo clubs on the course to make sure it is a better buy for you than your existing golf clubs! We hope this program gives you more incentive to choose the JRCC Golf Shop for all your equipment and merchandise needs. We also have a great Corporate Program to provide your company with anything golf merchandise-related. Contact the golf shop staff on how to sign up for our corporate programs.

In stock this year for our hard good companies will be: *Ping, Taylor Made* and *Titleist*. We believe in these three companies because of they provide excellent, high quality equipment at a fair market price. Our soft good offerings for men, women and juniors will be: *Peter Millar, Footjoy, Turtleson* and *Bermuda Sands*. The shop will also have a high-end and midlevel accessories display. We have items to meet everyone's taste and budget, and it will be easier to stop by the shop (upstairs shop coming spring 2019). Come see us! We look forward to chatting with you. Let's have an amazing 2019 golf season!

Golf & Grounds Maintenance Report

Steven C. Suttle, Chairman

Report by Rob Wilmans, Director of Golf & Grounds Maintenance

January was a great month of golf weather; it was nice to see some busy days compared to last year. Timing of rain events, unfortunately, have prevented the course from ever really drying out. This time of year, with the turf being dormant and the trees not growing we just stay wet in a lot of areas. As a grounds staff, we are trying our best to get the carts off of the paths as much as possible. A little cooperation from Mother Nature would make this possible. We continue the deep aeration project and it is really making an impact on our soil moisture. The amount of wet areas we have are decreasing and the firmness of the course after surface water moves off is much improved. Most

of the course is firm enough to walk on without leaving footprints, unlike many other courses in our area.

The grounds staff has worked hard all month picking up the rest of the leaves from the turf areas, blowing out the landscape beds and removing that debris as well. We are working on pruning back much of the plant material to keep the desired shape and size. Some time is being spent locating all of the irrigation heads and valves on the property so we can edge them and be able find them when we need to. Drainage repair work was started on 13 this month as we began digging up sunken catch basins, finding the malfunction, repairing then back-filling the area. This drain line runs any-

where from four to six feet below the ground. It is a time consuming project, but a high priority. On bad weather days we continue to work on refurbishing tee markers, ball washers and benches, as well as annual maintenance on our operations facility. A well-maintained property begins by taking care of our work area!

February brings the Golf Industry Show, which is an educational conference and trade show for golf maintenance. This is one last chance to get some education and keep up to date with the latest technology before we begin the bunker project. The start date is slated for Monday, February 11, and I could not be any more excited!

Winter Skills Boot Camp

FOR JUNIOR GOLFERS

1:00-2:00 p.m.

Session #4—February 2

Session #5—February 9

Session #6—February 16

Join us for the last sessions to further improve your swing. We will begin with a dynamic warm-up, followed by skill-specific drills, and then progress into swing speed training and more competitive games.

To sign up, please send an email to Daniel Soehren at dsoehren@jamesrivercountryclub.com or text him (708-910-8500).

Waterfront & Water Sports Committee

Joshua A. Dornan, Chairman

It may be cold outside but that doesn't mean the excitement isn't building for summer, the pool, and your JRCC River Ratz Team! On Thursday, January 17, a social was held to introduce our new Water Sports Director and swim coach, Ken Zoby. Following the social, Ken also led an introductory session for those

interested in working as a JRCC life-guard this summer. We had a great turnout of returning swimmers and new swimmers alike—all of whom had the chance to see the enthusiasm that Ken will bring to our team and our pool. He will be joined on the River Ratz coaching staff by lead assistant Whitney Hager, Caro-

line Hager, Logan Culp and Michael Keel. Sign-ups for the team will be held on Wednesday, May 8. And, be on the lookout for the March newsletter for more important dates and exciting swim events. We are looking forward to this summer and seeing everyone at the pool.

Membership & Social Committees

Michael Archuleta, Chairman

I'd like to start my article this month by saying "Thank you" for all the terrific feedback and comments of appreciation many of you have shared about the events at our Club! I am really glad to hear that so many of you are enjoying our "revitalized" Club as much as Kelly and I are!

Although January is typically considered the slowest month of the year, our Club hosted some great events that drew tremendous crowds. To begin with, how about our Club staff opening the golf course (at no cost for green fees and carts I might add) on New Year's Day! It was heartwarming to see many of you enjoying the incredible day with your family and friends! Probably my favorite was the last group of the day where mom and dad (you know who you are) were enjoying a few holes with a future Club champion who is yet to enter kindergarten!

Thanks to Nancy McCoy for an evening of wonderful piano music on the first day the Club reopened! Please help me convince Nancy that we'd love to have her back on the dinner stage at James River! I was out of town for the Lewis McGehee Band but judging

Mrs. Nancy McCoy at the piano on Tuesday, January 8.

from the plethora of photos, videos, and texts I received that night it was spectacular! And don't worry, Lewis will be back every so often. Thanks to Ken Baggett (who's been a member less than one year by the way) for a great night of in-house Acoustic Thursday music! Yet another case of terrific talent, from without our membership, willing to share with us all!

And speaking of Acoustic Thursday, I've really enjoyed seeing how they have grown in popularity. What a great way to spend a relaxing Thursday night with friends and/or family while listening to some great music! In case you're interested, our Acoustic Thursday schedule for the next two months is shown on the right.

And in April, Conrad has a special surprise for us the first Thursday of the month so stay tuned!

The Far Niente wine dinner was also a gem! This event sold out six weeks in advance without anyone knowing what the menu or cost was going to be! That really shows the confidence we are putting in our GM, Executive Chef, and Club staff. Well done! And then there was the NFC playoff party! Another great time by all who attended!

Speaking of membership (hopefully you picked up where I was going with all this), all these events are a perfect opportunity to highlight our Club to friends and family who might be interested in joining. Just bring them to our wonderful events and let the Club sell itself! Feel free to contact me or Jen Hicks (our Membership Director) if you have any questions or need any information about the membership opportunities.

On a side note, don't forget about our reciprocal privileges at Norfolk Yacht and Country Club. Kelly and I stopped in for lunch while running

errands on the south side. We had a wonderful experience while enjoying a magnificent view!

Again, thanks for all your terrific comments and especially your support! Believe me, "You ain't seen nothin' yet!"

ACOUSTIC THURSDAY

6:00-9:00 p.m.

February 7
