President's Report

John R. Lawson II

I have always believed that the journey creates more excitement and satisfaction than the finish line. Our path has been carefully planned and the pieces are being put in place to realize our vision of a Club that is truly Best in Class.

Many significant projects have been completed, we hit our 50 new member goal, attendance is increasing in every activity and event, and another new round of projects to improve our Club Resort are beginning. I appreciate how supportive the membership has been through the inconvenience of construction and renovation. You

really make this transformation enjoyable for your dedicated Board and committees. Continual improvement is a mindset change that will pay dividends for years to come and for many legacy generations. We love the amount of young families and children that have discovered us.

Take in all the great times and memories that summer at JRCC will make possible for family and friends. These can be some of the greatest moments of your life. You deserve the best!

Around the Club

The Manager's Desk

Conrad C. Lickel, General Manager/COO

Welcome to all our new and returning members! And, "THANK YOU" to our existing membership for their ongoing support of our capital projects and daily efforts. Your comments and patronage are invaluable to the success of James River Country Club!

On a side note, as we get into our busiest time of the year, please remember to be extra careful and alert while driving cars and carts. There are a lot of sports and kids' activities occurring and the driveway and parking lots exhibit constant traffic. Please, take it slow!

Thank you and see you at the Club!

Employee of the Month

Report by
Jeremy K. Franks, PGA

JOSH BROWN

Josh Brown has been a great addition to the JRCC employee team. As a standout golfer in his senior year at Poquoson high school, he has added a level of golf knowledge to the outside staff that was proven to be an asset to the entire golf operation.

Josh is a true team player and will be very helpful to all members as we strive to raise the level of service to you, our members, each and every day!

FEATURED ARTIST FOR JULY AND AUGUST

Susan Britt Macon

Susan Britt Macon is a North Carolina native, Salem College graduate, wife, mother and grandmother. A self-taught artist, Susan Britt has been painting since 2003 and attending classes and workshops with noted teachers and artists to develop her craft. Inspired by movement, nature, design and personal experience; each piece is a reflection of her heart and soul. An abstract expressionist using bold colors, Susan Britt's preferred medium is oil or acrylics on paper or canvas.

ARTIST STATEMENT

Painting has allowed me to express and record in a visual way what I am not able to put into the written word. Those who know me know that creative writing is not one of my talents; while if I were talking to a group of friends, I could "hold court" all day! With that in mind, it is a blessing to have found the gift to create and express on canvas what is in my heart.

Several years ago, during a time of self-doubt and uncertainty, a concerned friend asked me the question..."What do you want to do?" Abruptly, I replied, "I want to paint!" Completely startled and looking over each of my shoulders, I asked, "Who said that?" At that moment my friend who asked the question encouraged me to embrace this call to paint. He pointed at my heart and lovingly said, "I believe that you have been given a gift...now use it!"

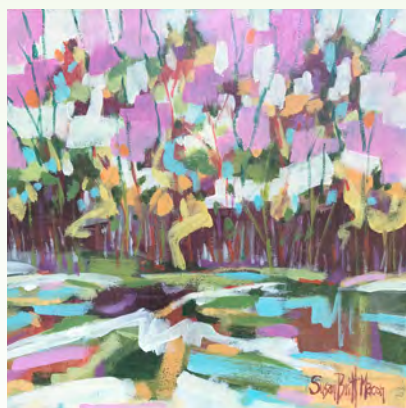

With anticipation and excitement, I began taking art classes and workshops. I've studied under accomplished artists including: Alice Williams, Frank Rowland, Mike Hoyt, John Silver, Ken Wallin, Carol Marine, Jim Draper and David Kessler. As my skills have grown in the fundamentals of drawing, color, values and composition, I have found more freedom to create and express myself. To this day, my work continues to evolve.

I would describe my painting style as abstract expressionism. I am inspired by color and movement. My compositions are influenced by nature, interior design, photographs, people and personal experiences. All my work is created to reflect a deeper personal story that is beyond a pretty or interesting painting. Client comments include:

"I don't know what it is about your art, but it speaks to me."

"There is such joy and hope in your paintings. They just make me happy."

I am grateful that painting has allowed me to translate a part of my soul to canvas; sharing my joy, hope, and light.

"Rainy Day Downtown" – \$400

"Morning Bouquet" – \$500

"Above it All" – \$575

Membership & Social Committees

Michael Archuleta, Chairman

Thanks to everyone for their support during our Spring Campaign! As a result of your recruitment efforts along with the incredible facilities and events our Club has to offer, we have 51 new and returning members in our James River Country Club family! How terrific is that? Please be on the lookout for all the “newbies” and help them learn all the terrific things our Club has to offer. And remember, just because the campaign is over doesn't mean we need to stop bringing in additional friends and family to become a part of our Club!

As our Club evolves, while still maintaining its charm and beauty, we continue to modify our procedures to meet our needs. For that reason, our Board of Directors approved a change to the posting requirements for prospective members. Effective

immediately, prospective members will no longer be posted for 30 days before going before the Board for a vote. Instead, at the end of each week all membership applications will be forwarded to our Board for an e-Vote. But we still want each new member to meet our Board so they will attend the next scheduled Board Social (following being voted in) to have that opportunity. We are also revamped our application to include additional information about interests along with a family photo. This change will enable prospective members to begin using the Club as full members almost a month sooner than our previous practice.

On the social front, I hope you had a chance to enjoy our Key West Party with the Tiki Bar Band. What an incredible event that was, with over

200 people attending on our newly renovated back yard. And, our step back to the 1920s provided some great costumes with lots of dancing by all who attended. If you have ideas for other events for any age group please don't hesitate to let me or Conrad know.

And finally, please remember that we have full reciprocal membership privileges at the Norfolk Yacht and Country Club. Their venue on the south side affords us yet another perk of our JRCC membership when we're on the Southside. Whether you're there by boat to enjoy the outdoors or drop in for dinner and drinks before a Chrysler Center event, you'll receive the full benefits afforded to all NYCC members.

Have a great 4th of July and a terrific month! See you around our Club!

SWIM! SWIM! SWIM!

The River Ratz Swim Team Pool Float Party has been rescheduled from Friday, June 28, to **Tuesday, July 2, from 7:00 – 10:00 p.m.** It is a themed event, open to swim families only. This is also a movie night/bring-your-best-float to the lower pool night. Games will be played and the cabana will serve ice cream floats. Please RSVP to Cynara at 595-3327, ext. 0, and let her know how many people are coming and your member number. You can also e-mail her at cynara@jamesrivercountryclub.com.

Our four pools look great and clean, chemicals are up to “par” and we have a great lifeguarding unit watching over the kids as they swim. Many upgrades have been made to the entire pool area, and it is appreciated by all. So, come down the pools and cheer on our swimmers for the next home swim meet on Thursday, July 11, at 6:00 p.m. For questions, please contact Holly Hager at: hollyhager5@verizon.net or call/text: 757-660-0936. Ratz rock the River!

A Note from the Pro

Jeremy K. Franks, PG

The new JRCC Golf Shop is open for service! A special thank you to the Centennial Committee and the JRCC Board of Directors for making this dream a reality. We cannot wait for you to stop in and be served in a brand new way. The members of JRCC are its most prized possession and we want you to feel that way. Come get the new JRCC Family T-shirt inspired by the NCAA National Championship this past March.

On Tuesday, July 9, JRCC will be hosting the USGA Amateur Qualifier for the third year in a row. The VSGA has asked that we become the official home of the USGA Amateur Qualifier of Virginia and we have accepted. It is an honor for our Club to be so well respected by golf's governing bodies. If you have interest in being a spectator or would like to volunteer to help shuttle or be a spotter for the competitors, please contact the Golf Pro Shop.

The Thursday Morning Breakfast Club has been a great program. Come join us for fun, early morning formats that focus on getting in a quick nine holes of golf with light and friendly competition. This program is open to all golfers and tees off at 8:00 a.m. on all non-event Thursdays. Come join us!

Facelifts around the Club are becoming more obvious. The Golf Pro Shop and men's lower level bathroom projects are completed and we are now moving forward with the fitness center. The space made available by the transition of the golf shop upstairs has provided an amazing space to accommodate a first class fitness experience. Please let us know what you would like to see in the new fitness center that can replace or add to your current fitness routine. We will be the experts in aquatics, tennis, golf and functional fitness to help you perform your best at JRCC.

The Health and Wellness Expo will be held on Saturday, July 27, from 11:00 a.m. – 1:00 p.m. The goal is to educate our members on the importance of overall health and how the Club can help you. We will have a panel of experts in health, fitness, golf, dining and coffee. Chef André will provide a healthy and delicious lunch and you will leave with a wealth of knowledge to better your overall Club wellness experience. Please contact the golf shop if you plan to attend or have additional questions.

The golf course is in great shape and we have a number of events this month for all abilities. Please look at the Club calendar and contact the Golf Pro Shop to sign up. See you on the course.

Golf & Grounds Maintenance Committee

Steven C. Suttle, Chairman

Report by Rob Wilmans, Director of Golf & Grounds Maintenance

Summer is upon us at JRCC and things are looking great on the course as well as the grounds. Greens are putting great, fairways are tight and rolling out, rough is manageable and bunkers are close to perfect. Pretty good time of year to play some golf! The heat is taking its toll on some of the fescue areas under the trees and we have a few patches that need to be sodded, mainly along cart paths, but overall course is looking and playing great. The new landscape around the clubhouse is starting to mature and flowers are beginning to appear. It is an absolute pleasure coming down Country Club Drive right now and hopefully the membership agrees. The new lawn behind the Club is slowly

maturing, but will probably need an entire season to fully grow in. The zoysia we planted is a beautiful turf that needs little water and is very heat tolerant but slow to establish.

On the course you may have noticed we removed the pin location indicator flags from the flagstick. With the widespread use of yardage finders and the new GPS carts it seemed like a perfect time to clean up the look on our greens. In conjunction with this move we have instituted a new cup changing rotation to help out for those of you not using yardage finders. It is a simple front, middle, back system that keys off of #1. If the pin is in the front of #1, it will be in the middle on #2 and the back on #3. This rotation continues through

the course repeating itself every three holes. Middle pin on #1, means back on #2, front on #3, etc. Hopefully this will simplify pin locations.

The practice tee is getting a lot of use these days and I wanted to talk about divots. When using the range, please take divots in a straight line by hitting each shot directly behind the previous one. These straight-line patterns heal much more quickly than either random, or the dreaded crater pattern when all of the divots merge in to one giant hole. It takes month for that hole to heal. We are having a new sign made for the tee that will depict graphically what we are looking for. Please fill your divots when you finish practicing.
