President's Report

John R. Lawson II

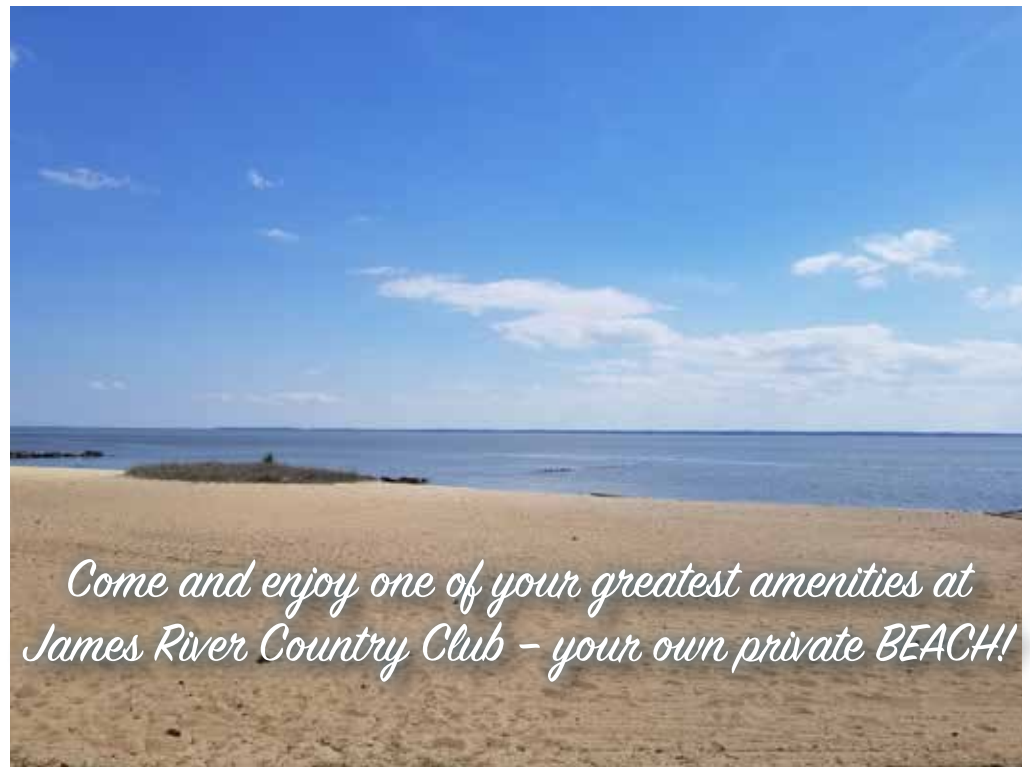

Your Club experienced another record achievement in May when we welcomed 16 new members at our Board of Directors meeting. In addition, we also had six membership classification increases to take advantage of the athletic facilities that are the best in Tidewater. The early indications are that June will also be a good month for new members. You can see and feel the excitement in the membership as momentum continues in the quest for excellence and always continuous improvement.

As we finish the golf course improvements, new Pro Shop and Simulator, Riverfront Lawn, Men's Locker Room restrooms and showers, exterior Club repairs and landscaping; work will begin this month on the first phase

of the new Fitness Center. Our workout facility will include new finishes, lighting, and new machines and equipment. The second phase will be a group fitness area and changes to the Ladies' Locker Room.

Thursday nights continue to be very popular and Memorial Day weekend was the usual great start to summer. Sunday night entertainment and food on our beautiful beach will again be back by popular demand. Swim team meets and kids' camps this summer will offer something for every family member. James River Country Club is an experience that can't be matched or duplicated. Be there or be square!

Come and enjoy one of your greatest amenities at James River Country Club - your own private BEACH!

Kevin House, Sous Chef

BRADY FARIA

Brady has been with the Club for about a year now and has been integral part of the kitchen. Although starting as a dishwasher, she has also helped with prep in the kitchen as well as worked banquet events and driven the drink cart around the course. She is an exceptional team player and her pleasant demeanor and bubbly personality have made her a joy to work with. Originally from Bridgeport Connecticut, Brady is currently attending Hampton University as an electrical engineering major. She hopes to use the degree to become part of the NASA program. Please join us in congratulating Brady Faria on her exceptional service!

SUNDAY, JUNE 16

Membership & Social Committees

Michael Archuleta, Chairman

Our Spring Membership Campaign is now over. We almost met our goal of 50; we now have 39 new members as well as nine members who decided to come back! We invite all of our new or returned member families to attend our Key West Party on Sunday, June 9, featuring the Tiki Bar Band (see page 2).

And congrats to Mike Remy and Scot Wucher for “leading the pack” with their significant efforts to introduce new members to our Club!

In order to reach our original goal of 50, our Board has decided to phase out our campaign through the 4th of July with an initiation fee increase of \$500 over the rates during the Spring Campaign for the A and D categories, and the noted increases for out-of-town and extended out-of-town:

Classification:	Campaign Phase Out Initiation Fees: June 1-July 4		
	A >40	D 30-39	F <30
Athletic	\$3,000	\$2,000	\$500
Social			
Out-of-town/Extended OOT	\$2,000	\$1,250	\$500
Military/Divorced Spouse	\$1,000	\$750	\$500

Following the extension of the campaign, we are restructuring our initiation fees to better meet the needs of our local population. We believe our initiation fees going forward are

at a level that will continue attracting new members and hence a stronger membership base. You'll also note that, just like the Spring Campaign, we blended the initiation fees for athletic and social memberships.

Classification →	Initiation Fees Beginning July 5		
	A >40	D 30-39	F <30
Athletic or Social	\$3,500	\$2,500	\$500
Out-of-town/Extended OOT	\$2,000	\$1,250	\$500
Military/Divorced Spouse	\$1,000	\$750	\$500

As we enter the months of summer, our Club has lots to offer and enjoy. Don't forget that Sundays from 3:00 – 6:00 p.m. we have our Sunday Fundays on the beach and newly modified backyard area. Come out and enjoy a snack, drinks, volleyball, corn hole and more with a gorgeous view that only James River Country Club can offer! And make sure to wear your best island attire for the Key West Party on Sunday, June 9, as well as your best 1920s attire for our Gatsby Party on Saturday, June 15. Acoustic Thursdays will also continue throughout the summer, occasionally moving outdoors. Keep watching for new events in our monthly calendar as well as on Facebook and in e-blasts. Our ongoing upgrades are definitely enhancing all our Club has to offer—so please, take advantage!

FEATURED ARTIST FOR MAY AND JUNE

Ruzie Degirmenci

Born and partly raised in Izmir, Türkiye, Ruzie has been a resident of Hampton Roads since 1997. Although she loves experimenting with new subjects, her repetitive themes include figurative and paysage work. Vibrant colors serve as her guide in each piece from the beginning of the process to the end. She enjoys mixing up mediums in her art such as oil pastels, acrylic and charcoal. Growing up around the fine art artists in her family, she started college originally as an Art major. She participated in art training programs of Seref Bigali (1925-2005), who was one of the renowned artists in Türkiye. She had numerous local exhibitions and has been

making commissioned work since 2012. As a Spanish Literature major, Theatre and French Literature minor as her second degree, she gets inspired very much by the world literatures and the theatre when shaping her art. (One of her most recent art exhibitions was about William Shakespeare and the themes he used in his plays.) She had her last gallery show at Gallery 21 in Norfolk, Virginia, and her work most recently was displayed at Aromas in Newport News. She is influenced by the modernist works of Matisse, Chagall, Picasso, Degas and German expressionists such as Kirchner and Münter and Gustav Klimt.

SWIM! SWIM! SWIM!

Here come the River Ratz! On Tuesday, May 28, afternoon practice began even though the clubhouse was closed that day. To stay updated with River Ratz activities throughout the season, you will need to create an account. If you haven't yet, please download our Team App and search for JRCC Swimming to begin. We have gone completely digital with all shared information through this App; it is great and very easy to use! Notifications will be sent if practices and/or meets are cancelled due to weather conditions.

We welcome five new families to our swim team this summer. If you would like to sign up your child(ren) up, the registration link is on the Team App. We look forward to a fun summer with our first Float Party/Movie by the pool on Friday, June 28, from 7:00 – 10:00 p.m. We will also celebrate Christmas in July on a date to be determined. If you have any questions, please call or text Holly Hager at (757)-660-0936.

Stroke & Turn Training and Officials Training Wednesday, June 5 | 6:30 PM | JRCC Clubhouse

We rely on our wonderful volunteer Stroke & Turn (S&T) officials to help our meets run smoothly! Each team must provide two S&T officials at every home and away meet. It is super helpful to have a number of qualified S&T officials available to volunteer and for backup. The only requirement to be a S&T official is to attend a training session.

Please consider (you or your spouse) attending S&T training. There will be one held on Wednesday, June 5, at JRCC and another training (S&T only, no starter/referee) offered on Monday, June 3, at 7:00 p.m. at the Running Man Clubhouse. If you are planning to attend one of the training sessions, please consider signing up for the S&T volunteer shifts at: <https://signup.com/group/476595238075>.

If you have any questions, please contact: Elisabeth Whetstine at ewhetstine@yahoo.com or 757-897-0270.

Many, many thanks!

A Note from the Pro

Jeremy K. Franks, PGA

What a blessed time it is to be a member at James River Country Club! The golf course is something to behold and it is recognized through the state as one of the best conditioned and unique courses in the Middle Atlantic Private Club Network.

The JRCC Golf Pro Shop will also be recognized this month as one of the best in the state. As the golf operation develops to serve you and your guests to its fullest potential, we ask that you provide us your feedback. If you have a complaint, please bring it to my attention, as our goal is perfection. If you have a compliment, please give it to Daniel Soehren, PGA, and my right-hand man. He is in charge of the day-to-day operations and is developing nicely in his passion to someday run his own golf operation. The JRCC Family is growing and we want your experience to provide you with such pride in your Club that you can't wait to tell all those

you know all about JRCC. More importantly, tell all those you don't know!

The JRCC Golf Shop will be fully operational this month and we have exciting opportunities ahead. The brands in the new golf shop will be Peter Millar, Bermuda Sands, Under Armour and Foot Joy for men and women. Turtleson is a new brand focused on men and Jofit is our new ladies only brand. For hard goods we stock Titliest, Taylor Made and Ping. We select our brands based on quality first—business practices, cost and fit second. If you need anything from other companies, we have accounts with all major brands and will special order anything your heart desires. If you own a business and want your logo on "anything," we can help with that, too. Check out our corporate table!

HRA and the golf team have been a big part of the golf experience for years. This year has been extra special.

They started this year by providing our junior golf operations with a \$1,000 donation. With these funds the golf shop purchased Snag Golf which has helped advance our junior golf programs. The team had a Divot Day in which they skipped practice and filled all the divots on 16, 2, 4, 8, 10 and 14. The team conducted themselves in a respectable manner all season and the JRCC Family is proud to host them. I could not say enough about their success. The Hampton Roads Academy Golf Team finished the season ranked 4th in the state. All-Conference recognition went to Carey Hutchens. All-State recognition went to Nick Collins and Conference Coach of the Year went to Ben Rous, the HRA Head Coach. If you see any of the HRA Golf Team around the Club, please congratulate them on a fine season.

Thank you to all members for your support. Come out and play some golf!

Golf & Grounds Maintenance Report

Steven C. Suttle, Chairman

Report by Rob Wilmans, Director of Golf & Grounds Maintenance

What a great spring season we have had so far. Temperatures fluctuating from the 90's to 70's have greened us up nicely, but hasn't really got the rough going into full swing yet. I feel like this is the first "spring" I have experienced at JRCC in the 5 seasons I have been here. The last few years have been cold right up until summer arrived, nice refreshing change this year. We are probably 3-4 weeks ahead of last year, with only some thin turf on 6 and 9 fairways. Warmer temperatures should get that turf growing and filling in. Greens were a little slower to

heal this spring, but are back in form again. We will use small tines to aerate in June and focus on a nice topdressing to smooth the surfaces.

As part of the capital program you may notice some new pieces of equipment around the property. We worked a lease package with our Toro distributor to move out some old pieces and bring in some leased vehicles. This will help to keep our fleet current and to keep maintenance costs down.

New landscape around the clubhouse is almost complete and the beds on the rest of the property are

really shining! Additional color and a newer vibe to our landscape has really changed the look here at JRCC. New paint on the clubhouse and soon to be finished men's downstairs bathroom and pro shop has catapulted us toward our centennial celebration. Speaking of changing the look, have you seen the new bunkers! Wow! Now that the grass has greened up we look like a completely renovated facility. Exciting times here at James River Country Club, get out and enjoy your facility!

Congratulations!
