## FROM THE PRESIDENT

At the beginning of every year, the Board of Governors meets for a retreat. It is an orientation for new Board members and committee chairs, as well as a chance to review the previous year's goals and focus on new goals for this year. The retreat is also a chance for us to reflect on past accomplishments and keep our momentum going by generating enthusiasm for the coming year.

I was recently doing some filing and ran across our goals for 2019. We are already moving rapidly toward accomplishing them. I think it might be an opportunity for us to celebrate what the committees, Board and our general membership have accomplished. We will do that by making this public so that everyone can see the progress.

I also want you to be familiar with some underlying values that the Board has embraced and that are embedded in our goals. We have agreed that our efforts should be inclusive. That means that our committees should reflect our general membership in age and gender. If you look at our committees and Board, we are well on the

way to meeting this objective. While transparency can be viewed as an effort to be politically correct, when members are supporting significant change with their money and efforts, there should be no secrets. We have been making every effort to use all the mediums available to us to keep everyone informed. Related to that, the bidding for business as we contract with banks, builders, consultants, etc. will be a fair process that includes all eligible vendors. We are determined to build a first rate facility and to maintain what we build.

Lastly, in 2018 we decided that our new general manager would be someone who understood the value of member amenities and had a good understanding of the successful business model of private clubs. May 15th marked the completion of Ken Underwood's first year with us. We accomplished that goal too.

I hope you enjoy a great summer with family and friends.

Jim Forrester, NYCC President

## FROM THE GENERAL MANAGER

Wow, one year already in the books for the "New GM". It has been a little bit of everything the past year, from learning the NYCC culture and its incredible history to implementing new programs, promotions, and standards to make *noticeable improvements to the member experience*, a central and never-ending theme of mine.

Over the past 12 months we've gotten better at keeping members "in the know", done via new social media fronts thanks to the expertise of Communications Coordinator Leigh Knowles. Last fall, Membership Director Betsy Glover launched a new membership development campaign that is on pace to hit our growth target of 50 members by July 2019.

We also set goals to offer better menu variety through Marty's and Drew's weekly "Chef's Features" and seasonal menu changes, and improve the appearance, timeliness and taste of the food. We have made good progress in the food quality, but not to the level that we would like to see consistently. In short, we will need to commit to even more staff training and see that performance standards for the culinary and service teams can be counted on by our members and guests. Moving forward, you can expect to see continued enhancements to your dining experience at NYCC.

The past year has also been largely consumed by two other very important efforts: 1)

Achieving a successful membership approval of the NYCC 2020/Facilities Enhancement Plan (FEP); and 2) Getting the racquet sports, fitness and pool phases of the plan fine-tuned, under construction, and open for use. Pool bathhouse renovations are complete and an upgraded poolside dining venue, The Galley, opened Memorial Day Weekend, as did all new pickleball, paddle tennis and 4 of the 9 planned clay tennis courts.

I want to recognize the leadership, time and professional oversight member Billy Dashiell has provided on the FEP thus far as our volunteer project manager. Billy knows his stuff for sure given all current projects are under budget. I could not have done this without him. I also owe thanks to Fitness Director Cheryl Lehmkuhl for ensuring The Galley, Cabana Bar and a fully refreshed pool deck were ready for the summer season. Nice work Cheryl and team!

So looking back it has been a year of many checked boxes, but one remains clearly unchecked, and that is for me to better know you the members. Much more is needed on my part, and I have set this as a higher priority in my second year at NYCC. Thank you for having me on the NYCC team.

See you around the club!

Ken Underwood, CCM  
General Manager

**Thursday, July 4th**

Our July 4th celebration will feature live music by Hot Cakes, cookout, contests, games and more! Please RSVP for the cookout. The price increases after July 3rd.

## WATERFRONT PROGRAMS

### Keelboat Certification Course

Earn your US Sailing Basic Keelboat Certification at NYCC! Classes either run Saturday to Sunday from 9am to 4pm or weekdays from 5:30pm to 8:30pm, during the months of April to September. Cost is \$230 for members and \$450 for nonmembers. NYCC also offers women only courses taught by female instructors.

### US Powerboating Class

NYCC offers Safe Powerboat Handling Courses to adults and juniors. This hands-on course (both land and water) is for any NYCC member who wants to learn how to safely operate small powerboats and improve their boat handling skills. There are no prerequisites for this class. Cost is \$200 for members and \$400 for nonmembers.

### First Sail

Our First Sail experience is an introduction to sailing in a casual, fun setting. We can take up to 3 sailors and an instructor; the sailors

will learn how to harness the winds and try their hand at the helm. This is a great way to see if sailing is right for you. The cost is only \$5! Limited to one sail per member.

### Sail About

Enjoy a relaxing two-hour sail along the Lafayette and Elizabeth Rivers with one of NYCC's sailing staff on our club-owned Flying Scots. Sit back and enjoy your sail with a bottle of wine or hop on the helm to get extra practice. Cost is \$95/couple for members and \$150/couple for nonmembers which includes a bottle of wine with or after your sail.

### Waterfront Excursions

Experience the waters of Hampton Roads all summer long with our free monthly paddle board and kayak excursions. This is a great way to meet other members! We'll be paddling to Hoffer Creek Wildlife Preserve on July 13th. Visit [www.norfolkyacht.com/waterfront-activities](http://www.norfolkyacht.com/waterfront-activities) for more locations and dates.

## COMMODORE WITH A VISION

The watch changed ceremoniously on Memorial Day weekend at the flag raising ceremony, bidding former Commodore Rick Sanford fair winds with Ben Schill assuming the duties of Commodore of the Yachting Division for the next two years. The ceremony traditionally symbolizes the beginning of the boating season at yacht clubs everywhere.

Ben, no stranger to maritime tradition as a Virginia harbor pilot, was quickly drawn into the waterfront as a parent volunteer when his twin daughters, Lauren and Rebecca, learned to sail in summer camp. He and other parents volunteered to help and he dove right

in. Having previously served as chair of the Jr Sailing Committee for several years has prepared him well for the role as Commodore.

Ben can often be seen on the Lafayette in his restored 1989 Boston Whaler named CRESCENT – an homage to both his hometown of Charleston and his wife Katie’s hometown of New Orleans. They both met in Norfolk after college in the 90’s.

As an avid photographer, he enjoys capturing images of boating on the river in all seasons, with the clubhouse often in the background, many of which have appeared in the Ship & Shore over the years. “Our biggest asset is the river and we should embrace our history and the traditions of being a yacht club. The perspective from the river looking back at the clubhouse is one that all members hopefully have the opportunity to relish. We have an amazing facility.” While traveling with his family to Opti regattas near and far, he enjoys the opportunity to visit other clubs. “It’s a great way to benchmark what we offer at NYCC and bring new ideas back home.”

Ben’s vision as Commodore is continued

growth of programs for the entire membership and highlighting the potential the waterfront offers prospective members. To that end, he and his fellow Yachting Committee members have numerous workshops and events lined up throughout the year to create more opportunities for member engagement. Other priorities are to address and fund needed repairs to the piers as well as to define Yachting’s long-range vision for the future.

Commodore Ben Schill

## OPENING WEEKEND

The newly renovated outdoor pool bathrooms and the transformed poolside cafe (now called The Galley), made their grand debut on May 24th at the season opening of the outdoor pools. Come check out these updated facilities and the refurbished pool deck furniture.

Memorial Day weekend marked the start of summer at NYCC and we celebrated with our annual poolside cookout, pony rides, bounce house, live music by Power Play, games, parade of sail and flag raising ceremony.

## RACQUET SPORTS OPENING

NYCC’s Racquet Sports Facility is about halfway complete! On May 25th, we held the grand opening of two paddle tennis courts, four pickleball courts, and four out of nine clay tennis courts, which are now available to members. The remaining 5 clay courts will be under construction through July, in addition to landscaping, walkways, and covered seating areas. Work will also be done to prepare for the seasonal indoor tennis dome, which goes up this fall.

Introducing Norfolk Yacht & Country Club's photo contest series! Each month throughout the summer, we'll select the best themed photo submitted by our members. The theme for June is "fun with dad". This is our way of highlighting NYCC families. Show us what summer at the club is all about! We've got great prizes up for grabs! The winning photo may be featured on NYCC's social media pages and in Ship & Shore.

## HISTORY CORNER

As Memorial Day marks the beginning of boating and swimming season, did you know our distinctive burgee was brought from Hampton Yacht Club after the facility burned and its members transferred to NYCC. George Curtis handmade the first one for the club.

Outdoor pools made their first splash at the club 66 years ago. Some \$70,000 was raised from club members' voluntary donations for a swimming and wading pool. In 1959, the pools were recognized as the safest in Norfolk. The increased interest in aquatics led to the construction of the diving pool and the bath house in the 1960s.

While we didn't rival McDonald's, it was reported at an annual meeting that the snack bar sold a record 9,338 hamburgers in 1962. "Funny money" tokens were used to pay for food and drinks at the snack bar in the 1970s.

## MEMBER SPOTLIGHT

Reviews are starting to roll in on NYCC member Tim Lockhart's second thriller novel, "Pirates." If this keeps up, Tim may have to put his law career on hold.

Our writer-in-residence has authored another page turner. Like his first effort "Smith," Lockhart stamps himself as first-rate story teller and coming talent in the genre.

Hal Morgan, a former Navy SEAL, has retired to a quiet life of operating a charter boat in Puerto Rico. Or so he thought. Until he comes upon a seemingly-abandoned day-sailer and finds an unconscious woman in a black cocktail dress.

Reviving her, he discovers Ana Cortez Bolano has a bag full of money and an armed boyfriend looking for her. What is an ex-SEAL to do, but help. Get ready for a whirlwind trip around Puerto Rico as the two try to keep one step ahead of boyfriend Jamie Rivera.

While the plot is fairly classic, says reviewer Alan Cranis, Lockhart's characters are so well-developed and his ability to take readers to an unfamiliar setting (southern Puerto Rico) while keeping the action rolling makes "Pirates" hard to put down.

"This taut and intelligently written novel will take you on a roller coaster ride," writes reviewer and author Bradley Harper.

Lockhart relies on his Naval career (before turning to law) and the fact that he's probably read hundreds of thrillers for background material. He's been a club member for 16 years and one of the founders of NYCC's book club.

While encouraged and gratified by the positive feedback he's gotten, he has no plans to quit his day job (he specializes in trademark law). He'll keep writing in his spare time at the coffee table when he gets an hour or so free. A third novel is already in the can.

"I love writing," he said "I'd be writing even if I wasn't published."

"Pirates" can be ordered from Stark House Publishing or Amazon.com and can be purchased at Price Books in Norfolk.

# YACHTING, JUNIOR SAILING, WATERFRONT

## Norfolk Yacht Jr. Sailors compete in USODA Team Trial Regatta

Henry Allgeier, Rebecca Schill, and Sean Trudell recently enjoyed a week of sailing in Santa Monica Bay against fierce competition at the US Optimist Dinghy Association (USODA) Team Trial regatta hosted by California Yacht Club in Marina del Rey.

The regatta served as the basis for selecting participants to represent Team USA at the six 2019 International Optimist Dinghy Association (IODA) regattas: World Championships in Antigua, Europeans in France, Asian and Oceanian in Oman, North Americans in the Bahamas, Volvo Gill British Nationals, and the Sport Vlaanderen Nieuwpoortweek Regatta in Belgium.

Average regatta conditions were light to medium winds with slight chop, noticeable current, and a pronounced long swell which is definitely not the norm in the Chesapeake Bay! Each day the sailors were divided into three fleets of 65 sailors each – so big starting lines!

All three thoroughly enjoyed the hospitality of the California Yacht Club and competing against such strong competition. Congratulations to Henry, who finished 3rd in the Silver Fleet.

## CLEAN MARINE FUEL

Boaters can rest assure that the fuel coming out of our pumps is clean and safe. The club's fuel supplier performed its annual detailed spring inspection April 23rd. NYCC passed with flying colors.

For added protection, both our gas and diesel fuel have been treated with ValvTect brand marine fuel additive which guards against phase separation in gas and biological growth in diesel fuel. Boaters who fuel up just once a year may consider adding their own treatment products after a while because no fuel treatment is permanent.

## BOAT SHOW

The annual Boats-in-the-Water is scheduled for **Friday, June 7 thru Sunday, June 9**. Norfolk Marine Co. will be bringing some popular models such as Grady Whites and Bennington pontoons. Rides can be arranged for prospective buyers. There will also be an array of racing sailboats, dinghies and daysailers from East Coast Sailboats.

## PROGRESSIVE DINNER

Join us on June 22nd starting at 4pm at NYCC. Members will travel by boat or car and stop at members' houses for appetizers, main course, dessert and after dinner drinks. This is a great way to meet new members or to join in on yachting fun! Reservations are required, please email Arielle Darrow at [waterfrontdirector@norfolkyacht.com](mailto:waterfrontdirector@norfolkyacht.com) or register Online.

## POWERBOATING CLASS

We will be hosting 2 US Powerboating Classes in June for adults and juniors. This hands-on course (both land and water) is for any NYCC member who wants to learn how to safely operate small powerboats and improve their boat handling skills. Cost is \$200. Dates are **June 29-30** for adults and **July 1-2** for juniors ages 14-18. For more information and registration, please visit NYCC's website.

## BOATER EDUCATION SPEAKER SERIES: Hurricane Preparedness

**Saturday, June 15th at 10 a.m.** we will be talking about Hurricane Preparedness. Please RSVP by calling the club's front desk at 423-4500. Free to attend! Our speaker will be Capt. Peter Squicciarini.

## JUNIOR SAILING NEWS

Online registration is still open for Junior Summer Sailing classes! Spots are filling up quickly for our improved and super fun summer camp this year. We have been working on an exciting curriculum, which includes Tennis Ball Tag, Ultimate Sailing, Quidditch, Grab the Gator, Ninja Docking, Pirate Scavenger Hunts and more. Don't forget, you can recommend this camp to your non-member friends! Visit NYCC's website for Online registration.

## Summer Camp Open House and Ice Cream Social

Join us on **June 13th at 6:30pm** in the Lafayette Room. This is a great way to meet the instructors for the summer, learn about our camps, ask any questions you may have and, of course, enjoy some ice cream!

## Family Fun Thursday Night Sailing

We will begin hosting Family Fun Thursday Night Sailing starting June 20th and going until August 1st (no event July 4th). The fun begins at 5:30pm. Kids of all sailing levels can come out for some enjoyable sailing or racing. Parents can also take out the club-owned Flying Scots with their kids. Afterwards we'll have a cookout on the back lawn. Live music on select dates.

## INTRODUCTION TO PICKLEBALL CLINIC

**Saturday, June 15th from 12:00 - 1:00 PM**

Learn the basics of pickleball at the newly built courts! New and beginner players are welcome. The instructor will teach the basic skills such as: how to serve, how to return a serve, dinking, third shot drop, key rules of the game, and basic play. Bring your own paddle or use one of the clubs demos, balls are provided. Please sign up to participate. Contact the Tennis Shop at (757) 423-6737, email the Director of Tennis Jason Mueller at [jmueller@norfolkyacht.com](mailto:jmueller@norfolkyacht.com), or register Online. This is a free clinic!

## PICKLEBALL NIGHT

Monday and Thursday are the new Pickleball Nights! Come out to the courts from 6-7:30PM to get in on this growing sport at NYCC. This is a great way to meet other members! Call the tennis shop or contact Jason Mueller, Director of Tennis, if you have any questions.

### What is Pickleball?

Pickleball is a paddle sport that was created for all ages and skill levels. The rules are simple and the game is easy for beginners to learn, but can develop into a quick, fast-paced, competitive game for experienced players.

Pickleball combines elements of tennis, badminton and ping-pong. It's played on a court about 1/4 the size of a tennis court and it's played with a paddle and a plastic ball with holes.

## JR. TENNIS SPOTLIGHT

Xander Smith is a rising star for his high school tennis team. The 9th grader from Maury High School helped his team to win the Regional final by winning both his singles and doubles matches against Princess Anne High School. The hard work and consistency on court made Xander one of the best six players to represent Maury tennis.

We are very proud to see this young star making big accomplishments and we are looking forward to see his game grow for next year's high school tennis season.

### Fun Facts About Xander:

- Favorite Food: Spaghetti
- Favorite Movie: McFarland USA
- Favorite Tennis Player: Kei Nishikori
- Hobbies: Cello and Spikeball
